**EAGLE
HARBOR**

Dear Prospective Member,

Welcome to Eagle Harbor! We would like to take this opportunity to present you with our exciting and affordable Membership Plans at our recently updated facility.

Eagle Harbor, located in Fleming Island, is set amidst a forest of 60-foot pines with a course designed by award-winning architect Clyde B. Johnston. Rolling fairways and new Tif-Eagle greens combine with tree-lined fairways and interesting water hazards to create a track that's a local favorite and a fun challenge for golfers of all abilities. In addition, the course features a unique island green on its signature hole.

To complement our excellent golf course, practice facility and golf instructional programs led by PGA professionals, we also offer a variety of social events for Patrons. Our newly re-designed restaurant and bar feature delicious dining options and a large selection of craft beers – it's the perfect place to hang out after your round or anytime, for that matter!

When you become a Patron at Eagle Harbor, you also have access to the growing family of Hampton Golf Clubs through the Hampton Golf reciprocal program. This program entitles Full Golf Patrons to play at Eagle Harbor's sister Clubs for special rates – a great feature that many other golf Clubs simply cannot offer.

You'll find our Membership options on the following pages. If you have any questions or would like a tour of the Club and golf course, please contact us at 904-269-9300. We look forward to having you join one of the best clubs in North Florida!
