The CDD Board and Team Members wish everyone in the Eagle Harbor community a Happy and Healthy New Year!

ONGOING COMMUNITY INFORMATION

Golf Course Greens: For your safety, everyone is reminded the cart paths and course are only for registered golfers and the use of the cart path for walking and riding bikes is dangerous and therefore prohibited.

Community Improvements – Eagle Harbor Restaurant and Bar: All the work is complete and we invite you to try our new community restaurant. Talon's is also open to the public, so tell your friends about this exciting new venue – unique to the Orange Park/Fleming Island area. You can find for more information about the new restaurant, bar and menu items at the eagleharboronline.com website.

Clay County Sheriff's Office: Residents — if you have not registered your home alarm with Clay County, please contact the Clay County Building Division (904) 284-6307 for information about how to register your alarm. A copy of the most recent Eagle Harbor Crime Statistics can be found at the Eagle Harbor Online website in the February 26, 2015 Crossings CDD meeting agenda.

OPERATION OF GOLF CARTS AND LOW-SPEED VEHICLES IN EAGLE HARBOR

Eagle Harbor is one of the few communities in Clay County that are fortunate enough to be approved for Golf Cart use on the roads of our community. While this is one of several wonderful amenities that we enjoy, it is very important that laws that govern the use of golf carts be followed in order to maintain resident safety. Many of the laws can be found in Florida Statute 316.212.

A common misperception of a Golf Cart is that due to its low speed, it is a relatively safe vehicle. However, when operated outside of the laws, it can present hazardous conditions that may result in serious injury.

There are approximately 13,000 Golf Cart related accidents per year that require emergency room visits.

Approximately 40% of those accidents involve children under the age of 16 and half of those are due to a fall from a moving cart. It is also very important to be cautious when turning left in a Golf Cart as this is when the vast majority of Golf Cart accidents take place.

Some of the laws relating to golf cart use found in FS 316.212 are as follows:

- 1.) A Golf Cart cannot exceed 20 miles per hour.
- 2.) Golf Carts can only be operated on designated roads where the speed limit is 30 miles per hour or less.
- 3.) Drivers must be 14 years or older.
- 4.) Golf Carts can only be operated from sunrise to sunset.
- 5.) Golf Carts cannot be driven on any sidewalks.
- 6.) Golf Carts must be equipped with sufficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflector warning devices on both the front and rear.
- 7.) Operators can be arrested for DUI on a Golf Cart.
- 8.) Operators can receive a citation against their driver's license (or future driver's license) for violation of Florida Statute 316.212.

If your golf cart goes more than 20 miles per hour, it is no longer classified as a "Golf Cart," but is classified as a "Low Speed Vehicle (LSV)".

According to Florida State Statutes, Low Speed Vehicles operate under a different set of rules than do Golf Carts. For Example:

- 1.) Any person operating a Low Speed Vehicle must have in his or her possession a valid driver's license.
- 2.) Low Speed Vehicles must be equipped with head lamps, stop lamps, turn

signal lamps, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers.

- 3.) Low Speed Vehicles must be registered and insured.
- 4.) Low Speed Vehicles may not exceed 25 miles per hour.
- 5.) Low Speed Vehicles can only be operated on designated roads with posted speed limits of 35 miles per hour or less.
- 6.) Low Speed Vehicles cannot be driven on any sidewalks.
- 7.) Operators can be arrested for DUI on a Low Speed Vehicle.
- 8.) Operators can receive a citation against their driver's license for violation of Florida Statute 316.2122.

In addition to the Golf Cart and LSV Florida laws, the CDD requires that all Golf Carts and Low Speed Vehicles register with Eagle Harbor prior to operating on District property.

Registration is free and can be done by making an appointment at (904) 621-8362.

Upon completing your registration, you will receive two number decals to adhere to the front and back of your vehicle. Low Speed Vehicles will receive different color decals. A copy of your current Eagle Harbor registration must always be on file.

Failure to register may result in suspension of user privileges of the facilities and amenities.

Thank you for your time and effort as we continue to improve the best community in Florida.

MINUTES

The approved meeting minutes can be found at the online website.

EXPANDING RECYCLING PROGRAM

Clay County is expanding our recycling program to accept more items, effective immediately! NEW items that are included in the recycling program:

- CD's and CD Cases
- Milk/creamer cartons
- Soup and broth cartons
- Juice boxes
- Baking tins

Items NOT included in Recycling Program: Plastic toys, plastic bags, clothes hangers, pizza boxes, motor oil containers, pool and other chemical containers, mirrors, window glass and broken glass, aerosol cans, electronics and pesticide containers.

Clay County residents are encouraged to recycle.

Recycling conserves natural resources and helps lower the cost of waste disposal. All containers should be emptied and rinsed clean.

Place all recyclable materials in bins provided. Do not place anything but recyclables in bins. Please place recycle bins curbside by 6 a.m. on service day.

FROM THE CLAY COUNTY SHERIFF'S OFFICE

It's still cold outside, but you may be starting to plan this year's vacation. Include a phone call to the Sheriff's office in your plans. CCSO has a Vacation Watch Program that will have a deputy sheriff stop by frequently and check on your residence during your absence to make sure everything is secure and safe. To enroll in the Vacation Watch Program call the Sheriff's Dispatch Office at (904) 264-6512. Remember to stop your newspaper subscription and put your mail delivery on hold. Newspapers accumulating in the drive way and a mailbox that is crammed with mail are signals to a burglar that you're away. If one you see newspapers stacking up in the neighbor's driveway please pick them up and store them out of sight. This is a simple way to prevent crime.

Another program that is provided by the CCSO is Elder Watch. If you have an elderly relative who requires someone to check on them and you are going to be away for awhile or you are aware of an elderly person who doesn't have a local support person, contact the Sheriff's Dispatch office at (904) 264-6512 and they will have a Deputy stop by or at least call daily to make sure everything is alright.

CCSO CRIME WATCH

VIPS-Patrol Summary

VIPS stands for Volunteers in Police Services. It's a formal Neighborhood Crime Watch program under the supervision of the Clay County Sheriff's Office (CCSO). Since law enforcement can't be everywhere at once, our VIPS volunteers attempt to fill the gaps, and have direct radio access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required.

During the November daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods north of CR 220 and west of US 17) we noticed a total of 279 Garage doors open and unattended. Every garage door open is an invitation to theft, and fortunately there were no thefts from homes reported by Eagle Harbor residents to the Sheriff's Office. We will continue to leave notices in the newsletter/ advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this New Year to keep our neighborhoods safe and secure.

If we see newspapers piling up in a driveway while we're on patrol, the VIPS volunteers will stop and gather the papers and place them in inconspicuous place on the property. Please

do the same if you see this on a neighbor's driveway. Let's help each other out and reduce the opportunity for crime in Eagle Harbor.

Theft from vehicles continues to be a common property crime reported to the Sheriff's Office and almost without exception the vehicles were unlocked. When you are out shopping or leaving your vehicle unattended at home, secure your vehicle and do not leave packages or property in your vehicles where they are visible. There were two instances of thefts from unlocked vehicles in the Winn Dixie and Wal-Mart lots off of CR 220. If these vehicles were locked these thefts could probably been avoided.

The garage door opener in an unlocked car in your driveway is the same as leaving your garage door open and could provide a prowler easy access to your home. The VIPS goal is to deter crime and inform our residents about what is happening in the neighborhood and surrounding areas and how to prevent crimes. The Sheriff says, "If you like it lock it".

We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: waltjoba@comcast.net Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office.

Tennis Tip

By Josh Vissman, USPTA

Lately, I have had a lot of players ask me, "How do you win close matches?" This is an excellent question which is surprisingly often overlooked. There are two strategies you can use to win close matches.

The first mistake is playing not to lose or not to miss, particularly late in a set or match. If you lead a match by a set and 4-2, you may find yourself thinking that playing it safe is a good idea since the end of the match is close. If you're playing capable opponents this can backfire and result in your opponent making up their deficit in the match.

If you're already leading a match by a set and 4-2, you probably had an effective strategy that helped you gain the lead. By changing your strategy and simply presenting the ball to your opponent and becoming reactive, you give your opponent a chance to win. You should try and identify why you are up in the match, and continue to use these strategies to close out the match or until your opponent makes an adjustment to counter your strategy.

The second mistake is going for an outright winning shot.

Players tend to do this because they are nervous and want to get the situation over as soon as possible. This is the wrong approach. Before big points you want to try to calm your nerves and, again, focus on what has gotten you to that point. Think about the most common way you have won points so far in the match.

Try not to think, "one more point." Instead, focus on execution or the best strategy available until the match is over. Using this thought process in tiebreakers is also important. In tiebreakers there isn't room to be too conservative or too aggressive. It should be quality point after quality point. If you are able to apply this thinking to your matches, you will start to turn many of the close ones

USTA League Tennis

United States Tennis Association (USTA) league tennis is off and running! These are leagues that allow players to be the most competitive tennis player at their level of play. If your team wins at the local level they then have a chance to compete at the state level. If your team is good enough (maybe slightly lucky) to win at the state tournament then you move on to every competitive tennis player's dream..... NATIONALS!! It is very rare to make the national tournament because it not only takes a strong team effort but also good health, unselfish play, strategy and most of all, brilliant leadership from the captain. Eagle Harbor was lucky enough to have their men's 3.5 55+ team go to nationals in 2015 captained by Jim Pinkerman. Here is Jim's story.....

It was early January when Captain Jimmy Pinkerman and Co-Captain Joe Kelly started planning for their USTA season. As they put their roster together they began to realize that this could be a really good team. Many of the team members on the 3.5 level team had just turned or were soon to turn 55 so they had a relatively "young" team. They set a goal to

make it to the USTA National Championship, as they felt this was the team that could attain that goal.

Jimmy set up weekly clinics with Eagle Harbor Tennis Director Josh Vissman and staff tennis professional William Feliciano to improve their skills before and during the USTA season. When the season began, there was only one other 55+ men's team in the Jacksonville area. The team won their division locally and went to Daytona for the Sectional (State) Championship in early May. Facing 11 other teams, Eagle Harbor made it to the finals on the last day of competition. They played their final match and won two courts to one, advancing to the USTA National Championships in Surprise, AZ (Phoenix) over Halloween weekend.

Jimmy Pinkerman, Joe Kelly, Brad Robinson, Joe Thomas, Steve Andersen, Craig Price, Herb Quiñones, and Rick Sulzer attended the National Championship along with 16 other teams in their division and the Eagle Harbor team fared well as they finished 2-2.

Mission accomplished!

Quickstart and Developmental Jr. Clinics Booming

Junior clinics have been very well attended on Mondays and Wednesdays. Presently we have 16 slots available on Mondays and Wednesdays at 4:00 for ages 4-7, at 4:30 for ages 7-10 and at 5:30 for juniors ages 10-12. Sign up is required to guarantee your spot. Please visit <http://www.usptaplayer.com/club/EHTP/> to see more about Eagle Harbor Tennis happenings and to sign up for clinics and events.

Hopefully there are some budding tennis players out there that will want to pursue the game more than just on

a clinic basis. For those interested, there are Grand Prix playing opportunities in 2014. This is for kids 14 and under to be introduced to playing tennis and competing, although competing is a loose connotation (think T-Ball where the idea is to have fun and build skills). You can find the dates for these events at www.firstcoasttennis.com.

Once one the site click on FCTF Junior Grand Prix near the top of the page. This will take you right to the annual calendar.

Monday Night Seniors' Mixed Doubles Tennis

All levels are welcome!
Mondays from 6:30-8 p.m.

Men's Clinics

Men's night is Wednesday nights from 6:30 - 7:30 p.m. This is for your beginner to intermediate player, normally a USTA 3.0-3.5 rated player. It is one hour of clinic and then round-robin afterwards. This is a great way to get out, meet players and get involved in the program.

Big Hitters clinic is also on Wednesday nights from 6:30- 8 p.m. This is our more advanced men's clinic. This clinic caters to players with a USTA rating of 4.0 or higher. Call the pro shop for more details or help getting started!

New to Tennis?

If you are interested in getting started playing tennis but don't know where to begin, please contact the Tennis Shop at 269-2500 and one of our staff members will be happy to assist you.

Court Maintenance and Hours

The courts will be closed during the middle of the day for maintenance on a daily basis. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

Junior Team Tennis

Team Tennis practice is for juniors ages 12 – 18 and is in full swing on Tuesday and Thursday 4:30 to 6:30pm. This practice is for intermediate and advanced players at a cost of \$20 per clinic.

Junior Developmental Clinics

For juniors ages 7-10 we have our Developmental clinic from 4:30-5:30pm on Mondays and Wednesdays. This is a great way to introduce your children to tennis. It is a fun, educational clinic that teaches them the game, eye hand coordination and of course how to have fun playing. We also have our junior intermediate clinic from 5:30-6:30 on Monday and Wednesday which focus more on stroke production and rallying.

Hopefully there are some budding tennis players out there that will want to pursue the game more than just on a clinic basis. For those interested, there are Grand Prix playing opportunities in 2015. This is a chance for junior players to be introduced to playing tennis and competing, although competing is a loose connotation (think T-ball where the idea is to have fun and build skills).

You can find the dates for these events at www.firstcoasttennis.com

American Red Cross Lifeguard Training Class

February 25th to March 6th

Eagle Harbor Resident: \$210

Non Eagle Harbor Resident: \$245

Interested in becoming a lifeguard? Eagle Harbor offers the American Red Cross Certification for Professional Rescue CPR, first aid, and lifeguarding. The Lifeguarding program trains young adults to act with speed and confidence in emergency situations both in and out of the water. Topics include water rescue skills, surveillance and recognition, first aid, breathing and cardiac emergencies, CPR, AED, and more. This program reflects the latest ECC science and findings from the 2011 United States Lifeguard Standards Coalition Report. Participants must be able to pass a pre-course swim evaluation and attend every scheduled session to become certified. Participants must be at least 15 years of age by the first of class.

Please call the Waterfront Park at (904)621-8362 for more information and a class schedule. Obtaining your certification does not guarantee or secure a position with Eagle Harbor Aquatics, but considerations will be taken to those students who are 16 years of age and over and demonstrate strong skills.

"Got Manners?" Children's Table Manners Class

Sunday, February 28th | 4-6 pm | Talons Restaurant | Ages: 6-12 years old | \$20 per child

Every parent wants to provide their kids with the skills they need to succeed. Proper TABLE MANNERS are clearly one of those much needed skills. Believe it or not TABLE MANNERS are one of the main ways people judge others and especially well-mannered children, this can create a pleasant dining experience for everyone. The earlier we begin the better it is.

A professional manners instructor from Jacksonville's very own Manners of Life will be joining us at Talons Restaurant and teaching the fundamentals of proper table manners. This class will last approximately 1 hour and 30 minutes to 1hour and 45 minutes. Fee for class includes personalized instructor and a 4 course meal. Semi-Casual attire required.

Spaces are limited to 20 children. Please RSVP with payment to Waterfront Park at 904-621-8362 before Wednesday, February 24th.

Needed — School Crossing Guards

The Clay County Sheriff's Office is accepting applications from qualified individuals who wish to become full and part time School Zone Crossing Guards. There are several locations available including Argyle, Oakleaf, Fleming Island, Keystone Heights and Orange Park areas. We offer competitive pay and a flexible schedule. For more information please contact the Clay County Sheriff's Office HR Department at 904-264-6512 or call Sgt. John Parker if you have questions. (904) 213-6373.

Like it, LOCK IT!

We are fortunate to live in a community often described as "upscale". Our residents have worked hard to achieve this lifestyle and the symbols of success that go with it like nice cars and the latest technology. It's unfortunate that there are those who feel they are entitled to these items without working for them. Recently, very early in the morning, a resident observed a man going from car to car trying door handles and shining a flashlight into the car interiors while being followed by a car with no headlights. On another occasion a couple was observed driving up to houses with open garage doors and taking pictures of the interiors. Each time the Clay County Sheriff's Office was informed but no arrests have been made. Your management team would like

to remind you "If you like it, LOCK IT!". We also encourage residents to promptly contact the Clay County Sheriff's Office at 904-264-6512 should they see suspicious activity. Together, we can make our neighborhood safe for all our residents.

Pets in Eagle Harbor

We all love our pets, they are a part of our family. However, please remember according to the Covenants and Restrictions **Article V Section 8. PETS** "No pet shall be allowed to make an unreasonable amount of noise or to become a nuisance. All pets shall be confined by fencing or similar barriers, on a leash or under voice control. No pet shall be allowed to run at large. No pet may be kept, cared for or boarded for hire on the Property and no kennels shall be allowed. No more than a total of four (4) dogs and/or cats may be kept within any Dwelling Unit or on any Lot." Lastly, when walking your pet please be a courteous neighbor and pick up after your pet while on your walk. .
