ONGOING COMMUNITY INFORMATION

Fiscal Year 2016-2017 Budget: The Board of Supervisors, at the May 26 CDD meeting, approved the Fiscal-Year 2016-2017 (FY17) budgets and motioned to hold the Public Hearing for adoption of the FY17 budgets on August 25, 2016 (6PM at the Swim Park Annex — 1880 Eagle Harbor Parkway, Fleming Island, FL 32003). **The FY17-approved budget includes no increase to the Operations & Maintenance (O&M) portion of the CDD assessment (your CDD assessment is made up of two components – debt and O&M) and the debt portion of the CDD assessment is fixed and will not change in FY17.** Note that O&M has not increased since Fiscal-Year 2008-2009 - nine years - and the debt portion of your CDD assessment was reduced starting in Fiscal-Year 2014-2015.

Community Improvements: The CDD (Community Development District) Board of Supervisors is researching additional District projects that will benefit our community and welcomes your input. Potential projects include upgrades to Lick Skillet, the Swim Park Annex (lower level) and other community improvements. If you have further ideas, please contact Steve Andersen, CDD Operations Manager at Sandersen@gmsnf.com.

Golf Course Cart Paths: For your safety, everyone is reminded the cart paths and course are only for registered golfers and the use of the cart path for walking and riding bikes is dangerous and therefore prohibited.

Nutria: Nutria are an invasive species and have been spotted in various locations throughout Eagle Harbor and Northeast Florida. Nutria resembles a small beaver with a rat like tail. It is up to 25 inches in length, excluding the 15-inch sparsely haired, round tail; it has large reddish incisor teeth and partially webbed hind feet. Nutria are primarily nocturnal (active at night), with peak activity occurring near midnight. When food is abundant, nutria rest and groom during the day and feed at night. They build burrows in banks, with the entrances above water level, and feed on aquatic vegetation, lawn grasses, and ornamentals. Nutria are highly prolific and breed all year. Nutria can have up to thirteen young per litter and may have three litters per year. As an example of their proliferation: in 1938, twenty nutria were introduced into Louisiana and within twenty years, the nutria population exceeded 20 million animals.

Nutria can cause extensive damage to lake banks by burrowing and destroying the vegetation on the banks, which can lead to erosion and reduced functionality of our ponds as flood control. The Florida Fish and Wildlife Conservation Commission has not implemented a plan to eradicate nutria. In an effort to help homeowners with this invasive animal, the CDD Board and District Manager have employed an experienced wildlife company, Critter Control, to conduct a hunt for nutria at various times throughout the year.

If you do spot Nutria, please promptly notify the District Operations Manager, Steve Andersen, Sandersen@gmsnf.com. Please also contact the Florida Wildlife Commission as this issue needs State attention to control.

OPERATION OF GOLF CARTS AND LOW-SPEED VEHICLES IN EAGLE HARBOR

Eagle Harbor is one of the few communities in Clay County that are fortunate enough to be approved for Golf Cart use on the roads of our community. While this is one of several wonderful amenities that we enjoy, it is very important that laws that govern the use of golf carts be followed in order to maintain resident safety. Many of the laws can be found in Florida Statute 316.212. A common misperception of a Golf Cart is that due to its low speed, it is a relatively safe vehicle. However, when operated outside of the laws, it can present hazardous conditions that may result in serious injury.

There are approximately 13,000 Golf Cart related accidents per year that require emergency room visits. Approximately 40% of those accidents involve children under the age of 16 and half of those are due to a fall from a moving cart. It is also very important to be cautious when turning left in a Golf Cart as this is when the vast majority of Golf Cart accidents take place.

Some of the laws relating to golf cart use found in FS 316.212 are as follows:

- 1.) A Golf Cart cannot exceed 20 miles per hour.
- 2.) Golf Carts can only be operated on designated roads where the speed limit is 30 miles per hour or less.
- 3.) Drivers must be 14 years or older.
- 4.) Golf Carts can only be operated from sunrise to sunset.
- 5.) Golf Carts cannot be driven on any sidewalks.
- 6.) Golf Carts must be equipped with sufficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflector warning devices on both the front and rear.

- 7.) Operators can be arrested for DUI on a Golf Cart.
- 8.) Operators can receive a citation against their driver's license (or future driver's license) for violation of Florida Statute 316.212.

If your golf cart goes more than 20 miles per hour, it is no longer classified as a "Golf Cart," but is classified as a "Low Speed Vehicle (LSV)".

According to Florida State Statutes, Low Speed Vehicles operate under a different set of rules than do Golf Carts. For Example:

- 1.) Any person operating a Low Speed Vehicle must have in his or her possession a valid driver's license.
- 2.) Low Speed Vehicles must be equipped with head lamps, stop lamps, turn signal lamps, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers.
- 3.) Low Speed Vehicles must be registered and insured.
- 4.) Low Speed Vehicles may not exceed 25 miles per hour.
- 5.) Low Speed Vehicles can only be operated on designated roads with posted speed limits of 35 miles per hour or less.
- 6.) Low Speed Vehicles cannot be driven on any sidewalks.
- 7.) Operators can be arrested for DUI on a Low Speed Vehicle.
- 8.) Operators can receive a citation against their driver's license for violation of Florida Statute 316.2122.

In addition to the Golf Cart and LSV Florida laws, the CDD requires that all Golf Carts and Low Speed Vehicles register with Eagle Harbor prior to operating on District property. Registration is free and can be done by making an appointment at (904) 621-8362. Upon completing your registration, you will receive two number decals to adhere to the front and back of your vehicle. Low Speed Vehicles will receive different color decals. A copy of your current Eagle Harbor registration must always be on file. Failure to register may result in suspension of user privileges of the facilities and amenities. Thank you for your time and effort as we continue to improve the best community in Florida.

EXPANDING RECYCLING PROGRAM

Clay County is expanding our recycling program to accept more items, effective immediately! NEW items that are included in the recycling program:

- CD's and CD Cases
- Milk/creamer cartons
- Soup and broth cartons
- Juice boxes
- Baking tins

Items NOT included in Recycling Program: Plastic toys, plastic bags, clothes hangers, pizza boxes, motor oil containers, pool and other chemical containers, mirrors, window glass and broken glass, aerosol cans, electronics and pesticide containers.

Recycling conserves natural resources and helps lower the cost of waste disposal. All containers should be emptied and rinsed clean. Place all recyclable materials in bins provided. Do not place anything but recyclables in bins. Please place recycle bins curbside by 6 a.m. on service day.

Men's Clinics

Men's night is Wednesday nights from 6:30 - 7:30 p.m.

This is for your beginner to intermediate player, normally a USTA 3.0-3.5 rated player. It is one hour of clinic and then round-robin afterwards. This is a great way to get out, meet players and get involved in the program.

Big Hitters clinic is also on Wednesday nights from 6:30- 8 p.m.

This is our more advanced men's clinic. This clinic caters to players with a USTA rating of 4.0 or higher.

Call the pro shop for more details or help getting started!

New to Tennis?

If you are interested in getting started playing tennis but don't know where to begin, please contact the Tennis Shop at 269-2500 and one of our staff members will be happy to assist you.

Court Maintenance and Hours

The courts will be closed during the middle of the day for maintenance on a daily basis. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

Eagle Harbor celebrates champions

Congratulations to our Ladies Country Club A1 team! They finished in 1st place in the city for the *THIRD* year in a row! The team was captained by Jenn DiPaula all three seasons. Jenn did a great job making competitive line ups and finding the right partnerships to get the wins! All players have given a very strong effort for the last three years in order to gain the triple crown! Way to represent Eagle Harbor Tennis, ladies!

Also, congratulations to our First Coast Tennis Men's B2 team! They finished in 1st place last season! The team was captained by John Hunczak.

John did a great job pulling the guys together all season and putting together those winning line ups. It was a great overall team effort to come together at the end of the season to win the league.

Great job men! !

American Red Cross Lifeguard Training Class

July 18th to July 24th

Eagle Harbor Resident: \$210

Non Eagle Harbor Resident: \$245

Interested in becoming a lifeguard? Eagle Harbor offers the American Red Cross Certification for Professional Rescue CPR, first aid, and lifeguarding. The Lifeguarding program trains young adults to act with speed and confidence in emergency situations both in and out of the water. Topics include water rescue skills, surveillance and recognition, first aid, breathing and cardiac emergencies, CPR, AED, and more. This program reflects the latest ECC science and findings from the 2011 United States Lifeguard Standards Coalition Report. Participants must be able to pass a pre-course swim evaluation and attend every scheduled session to become certified. Participants must be at least 15 years of age by the first of class.

Please call the Waterfront Park at (904)621-8362 for more information and a class schedule. Obtaining your certification does not guarantee or secure a position with Eagle Harbor Aquatics, but considerations will be taken to those students who are 16 years of age and over and demonstrate strong skills.

Talons Rewards Fleming Island for its Business Boom by partnering with Take a Free Ride to keep its Patrons SAFE!

Have you been to the new Talons? If not, you are missing out on something unique that has been truly needed on Fleming Island for a long time!

If you have, you know that between the upscale bar, gourmet menu and beautifully covered patio overlooking the golf course, this place has quickly become a favorite meeting place on Fleming Island.

As Ryan Parr, General Manager explains it, "We wanted this to be a great destination that attracts not only Eagle Harbor residents but also people outside of Eagle Harbor. We knew that we needed to build a place where people wanted to come and enjoy an upscale environment with great food and libations. We are happy with our accomplishments thus far and continue to look for ways to grow and give back to our Patrons and our Community."

Talons has decided to become one of the elite restaurants on Fleming Island who have made the socially responsible decision to make a positive impact in our town through their partnership with Take A Free Ride whose mission is to reduce drinking and driving and save lives. Parr explained, "I want people to be able to come here and have fun. I also want to provide a safe way for them to get home after enjoying a night out. Partnering with Take A Free Ride accomplishes this goal."

Take A Free Ride is a nonprofit service funded 100% by donations with a mission to reduce drinking and driving and save

lives. The Company has been in operation since December 2014 and in the first year they have safely driven over 8,000 people home from Sponsored Restaurants. Founder Todd Carlson, a longtime Eagle Harbor Resident notes, "I love living

here and we have many options for a great social environment. The only problem is finding a safe way home after having a few cocktails. We all know people in our community who have been impacted by alcohol-related accidents and I wanted to do something about it. Our service, which is solely funded by donations from our amazing Sponsors – Garber Automall, Ole Smoky Moonshine, Taps Bar & Grill, Brick Oven Pizzeria and Gastropub, Whitey's Fish Camp, Island Life Grill, Mercury Moon Bar and Grill, Dick's Wings and now Talons – and from generous donations from our riders – have allowed me to build a sustainable model which makes our roads much safer."

Take A Free Ride offers service Friday and Saturday nights from 6:00 p.m. to 2:00 a.m. and also runs on Thursdays from May through December.

Carlson explains "Give us a try! Call or Text us at 904-868-RIDE and we will pick you up at your Fleming Island home and take you to Talons (or any of our great Sponsors) for a fun evening out!

Then we will get you home safely afterwards! Remember to Tip your Driver and Thank Us in the Morning!"

EAGLE HARBOR ASSOCIATION

Fishing in the Ponds

Good weather and Spring Break has seen an increase in both residents and non-residents fishing in our local retention ponds. While ponds located on CDD property are a welcome spot for fishermen, ponds located behind a resident's home are private property and are not to be accessed, even through CDD assigned access points, by any resident other than the homeowner or a CDD employee for the purpose of maintaining the pond.

These properties are private property and it is within the rights of the homeowner to interpret this as trespassing and call the Sheriff's office, especially in those instances when the offenders have been requested to leave and refuse. Homes located on retention ponds are responsible for the maintenance and upkeep of the property. Their property lines extend into the pond and these areas are to be treated as private property and not available to the general public. Please respect the privacy of these homeowners and restrict your activities to those ponds that are easily accessed from unrestricted property.

CCSO CRIME WATCH

Clay County Sheriff's Office (CCSO)

It's July already and the hot weather and bicycles are out and about in force so it may be a good time to take a look at the laws and rules governing bicycle operation in Florida.

Florida Safe Passing Laws: Florida requires the driver of a vehicle overtaking a bicycle or other non-motorized vehicle must pass the bicycle or other non-motorized vehicle at a safe distance of not less than 3 feet between the vehicle and the bicycle or other non-motorized vehicle.

Source: Fla. Stat. §316.083

Florida Helmet Law: Florida requires that any person under the age of 16 riding a bicycle, as an operator or passenger, must wear a protective bicycle helmet.

The failure of a person to wear a bicycle helmet or the failure of a parent or guardian to prevent a child from riding a bicycle without a bicycle helmet may not be considered evidence of negligence or contributory negligence.

Source: Fla. Stat. §316.2065

Where to Ride: Florida requires that a bicyclist, traveling at a speed less than the speed of traffic, must ride as close as practicable to the right-hand edge of the roadway except under any of the following circumstances:

- When overtaking and passing another bicycle or vehicle proceeding in the same direction;
- When preparing for a left turn at an intersection or into a private road or driveway;
- When reasonably necessary to avoid any unsafe condition or potential conflict, including one caused by a lane that is too narrow for a bicycle and another vehicle to travel safely side by side within the lane; or
- When a bicycle lane is available.

Source: Fla. Stat. §316.2065(5)

Sidewalk Riding: Florida allows bicycles to operate on sidewalks subject to the following rules:

- A person propelling a vehicle by human power upon and along a sidewalk, or across a roadway upon and along a crosswalk, has all the rights and duties applicable to a pedestrian under the same circumstances; and
- A person propelling a bicycle upon and along a sidewalk, or across a roadway upon and along a crosswalk, shall yield the right-of-way to any pedestrian and shall give an audible signal before overtaking and passing such pedestrian.

Source: Fla. Stat. §§316.2065(9)-(10)

Mandatory Use of Separated Facilities: Florida requires that any person operating a bicycle upon a roadway at less than the normal speed of traffic at the time and place and under the conditions then existing shall ride in the lane marked for bicycle use if a lane is marked for bicycle use.

Source: Fla. Stat. §316.2065(5)

Bicycling Under the Influence: In Florida, bicycles are defined as vehicles. Florida's law prohibiting driving while under the influence of alcohol or other controlled substances is written so that it applies to all vehicles and therefore applies to bicyclists. Bicycles should not be operated while intoxicated and operating a bicycle while under the influence of alcohol or other controlled substances may result in severe punishments.

Source: Fla. Stat. §§316.193; 316.003

Requirement to Stop: Florida does not provide any modifications to the requirement to come to a complete stop when directed to stop by traffic control devices and does not authorize bicyclists to disobey traffic lights that fail to detect bicyclists.

Dooring law: Florida requires that no person open any door on a motor vehicle unless and until it is reasonably safe to do so and can be done without interfering with the movement of other traffic. In addition, no person shall leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers.

Source: Fla. Stat. §316.2005

Treatment as a Vehicle: In Florida bicycles are vehicles according to the statute that defines vehicles and a person riding a bicycle has all of the rights and duties of the driver of a vehicle as provided in Chapter 316 of the Florida Statutes, except as to those provisions which by their nature can have no application.

Eagle Harbor VIPS-Patrol Summary

VIPS stands for Volunteers in Police Services. It's a formal Neighborhood Crime Watch program under the supervision of the CCSO. Since law enforcement can't be everywhere at once, our VIPS volunteers attempt to fill the gaps, and have direct radio access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required.

During the April daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods North of CR 220 and West of US 17) we noticed a total of 181 Garage doors open and unattended. Every garage door open is an invitation to theft, fortunately there were no thefts from garages reported by Eagle Harbor residents to the Sheriff's Office. If you see suspicious activities do not hesitate to report it to the sheriff's office at (904)264- 6512. We will continue to leave notices in the newsletter/advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this to keep our neighborhoods safe and secure.

Summer is here and many of you have planned your vacation. Include a phone call to the Sheriff's office in your plans. CCSO has a Vacation Watch Program that will have a deputy sheriff stop by frequently and check on your residence during your absence to make sure everything is secure and safe. To enroll in the Vacation Watch Program call the Sheriff's Dispatch Office at (904) 264-6512. Remember to stop your newspaper subscription and put your mail delivery on hold. Newspapers accumulating in the driveway and a mailbox that is crammed with mail are signals to a burglar that you're away. If you see newspapers stacking up in the neighbor's driveway please pick them up and store them out of sight. This is a simple way to prevent crime.

We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: waltjoba@comcast.net

Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office. Also we want to thank the CDD Board and the Eagle Harbor Golf Club for allowing us to use the "Cart Barn" to store our carts and maintain them. Without their support we wouldn't be able to provide the patrol services that we do.

BLACK CREEK ASSOCIATION

Yard Waste/Lawn Debris

We appreciate the efforts of our residents taking care to ensure their lawns are cut and edged weekly. However, please be aware that grass clippings and weeds should not be disposed of in and/or on the common property or conversation areas. All grass clippings, hedge trimmings and weeds should be placed in bags or trash containers, and stored out of view until the evening prior to scheduled lawn debris pick up.

What is VIPS?

VIPS stands for Volunteers in Police Services. It's a formal Neighborhood Crime Watch program under the supervision of the Clay County Sheriff's Office (CCSO). Since law enforcement can't be everywhere at once, our VIPS volunteers attempt to fill the gaps, and have direct radio access to the Clay County Sheriff's Office Dispatcher if a Deputy's response is required.
