**NOVEMBER 2016 • VOLUME 8 • ISSUE 11** 

# Saturday, November 12 | 7 a.m. -11 a.m. Fleming Island Elementary School | \$25 per table

It's FALL Y'ALL and cleaning time here in Eagle Harbor! Dig into your closets and clean out the garage! Eagle Harbor residents will be lining the sidewalks with great bargains at the Fall Sidewalk Sale! Eager shoppers can find great deals on clothing, toys, tools, furniture, books, movies, CDs, jewelry and much more! Tables sell guickly so be sure to register early.

Residents may pick up a map from Waterfront Park on Friday, November 11 between 5-7 p.m. Once receiving their map residents may visit Fleming Island Elementary to determine the location of the designated area.

Setup for the Sidewalk Sale will begin bright and early at 6 a.m. and all vehicles must be moved to a designated parking space by 7 a.m. in order for shoppers to safely walk and shop. All residents are responsible for the removal of all unsold items and trash following the sale. Quigley House will be on hand to collect any donations.

For additional information and to register for a table with payment, please contact Waterfront Park at 904-621-8362 before Wednesday, November 9.

#### ONGOING COMMUNITY INFORMATION

Utility Bonds: MBS Capital Markets, LLC updated the Board, at the September 22, 2016 Board meeting, stating they are in the process of working with at least one bank interested in refunding the Utility Bonds. It is expected MBS will have more information at the October 20, 2016 Board meeting.

Golf Course Cart Paths: For your safety, everyone is reminded the cart paths and course are only for registered golfers and the use of the cart path for walking and riding bikes is dangerous and therefore prohibited.

**Nutria:** Nutria are an invasive species and have been spotted in various locations throughout Eagle Harbor and Northeast Florida. Nutria resembles a small beaver with a rat like tail. It is up to 25 inches in length, excluding the 15inch sparsely haired, round tail; it has large reddish incisor teeth and partially webbed hind feet. Nutria are primarily nocturnal (active at night), with peak activity occurring near midnight. When food is abundant, nutria rest and groom during the day and feed at night. They build burrows in banks, with the entrances above water level, and feed on aquatic vegetation, lawn grasses, and ornamentals. Nutria are highly prolific and breed all year. Nutria can have up to thirteen young per litter and may have three litters per year. As an example of their proliferation: in 1938, twenty nutria were introduced into Louisiana and within twenty years, the nutria population exceeded 20 million animals.

Nutria can cause extensive damage to lake banks by burrowing and destroying the vegetation on the banks, which can lead to erosion and reduced functionality of our ponds as flood control. The Florida Fish and Wildlife Conservation Commission has not implemented a plan to eradicate nutria. In an effort to help homeowners with this invasive animal, the CDD Board and District Manager have employed an experienced wildlife company, Critter Control, to conduct a hunt for nutria at various times throughout the year.

If you do spot Nutria, please promptly notify the District Operations Manager, Steve Andersen, Sandersen@gmsnf.com. Please also contact the Florida Wildlife Commission as this issue needs State attention to control.

#### **OPERATION OF GOLF CARTS AND LOW-SPEED VEHICLES IN EAGLE HARBOR**

Eagle Harbor is one of the few communities in Clay County that are fortunate enough to be approved for Golf Cart use on the roads of our community. While this is one of several wonderful amenities that we enjoy, it is very important that laws that govern the use of golf carts be followed in order to maintain resident safety. Many of the laws can be found in Florida Statute 316.212. A common misperception of a Golf Cart is that due to its low speed, it is a relatively safe vehicle. However, when operated outside of the laws, it can present hazardous conditions that may result in serious injury.

There are approximately 13,000 Golf Cart related accidents per year that require emergency room visits. Approximately 40% of those accidents involve children under the age of 16 and half of those are due to a fall from a moving cart. It is also very important to be cautious when turning left in a Golf Cart as this is when the vast majority of Golf Cart accidents take place.

Some of the laws relating to golf cart use found in FS 316.212 are as follows:

- 1.) A Golf Cart cannot exceed 20 miles per hour.
- 2.) Golf Carts can only be operated on designated roads where the speed

limit is 30 miles per hour or less.

- 3.) Drivers must be 14 years or older.
- 4.) Golf Carts can only be operated from sunrise to sunset.
- 5.) Golf Carts cannot be driven on any sidewalks.
- 6.) Golf Carts must be equipped with sufficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflector warning devices on both the front and rear.
  - 7.) Operators can be arrested for DUI on a Golf Cart.
- 8.) Operators can receive a citation against their driver's license (or future driver's license) for violation of Florida Statute 316.212.

If your golf cart goes more than 20 miles per hour, it is no longer classified as a "Golf Cart," but is classified as a "Low Speed Vehicle (LSV)".

According to Florida State Statutes, Low Speed Vehicles operate under a different set of rules than do Golf Carts. For Example:

- 1.) Any person operating a Low Speed Vehicle must have in his or her possession a valid driver's license.
- 2.) Low Speed Vehicles must be equipped with head lamps, stop lamps, turn signal lamps, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers.
  - 3.) Low Speed Vehicles must be registered and insured.
  - 4.) Low Speed Vehicles may not exceed 25 miles per hour.
- 5.) Low Speed Vehicles can only be operated on designated roads with posted speed limits of 35 miles per hour or less.
  - 6.) Low Speed Vehicles cannot be driven on any sidewalks.
  - Operators can be arrested for DUI on a Low Speed Vehicle.
- 8.) Operators can receive a citation against their driver's license for violation of Florida Statute 316.2122.

In addition to the Golf Cart and LSV Florida laws, the CDD requires that all Golf Carts and Low Speed Vehicles register with Eagle Harbor prior to operating on District property. Registration is free and can be done by making an appointment at (904) 621-8362. Upon completing your registration, you will receive two number decals to adhere to the front and back of your vehicle. Low Speed Vehicles will receive different color decals. A copy of your current Eagle Harbor registration must always be on file. Failure to register may result in suspension of user privileges of the facilities and amenities. Thank you for your time and effort as we continue to improve the best community in Florida.

#### **EXPANDING RECYCLING PROGRAM**

Clay County is expanding our recycling program to accept more items, effective immediately! NEW items that are included in the recycling program:

- CD's and CD Cases
- Milk/creamer cartons
- Soup and broth cartons
- Juice boxes
- Baking tins

Items NOT included in Recycling Program: Plastic toys, plastic bags, clothes hangers, pizza boxes, motor oil containers, pool and other chemical containers, mirrors, window glass and broken glass, aerosol cans, electronics and pesticide containers. Recycling conserves natural resources and helps lower the cost of waste disposal. All containers should be emptied and rinsed clean. Place all recyclable materials in bins provided. Do no place anything but recyclables in bins. Please place recycle bins curbside by 6 a.m. on service day.

## SAVE THE DATE!

# Fourth Annual Holiday Light Parade, Gingerbread House Competition & Tree Lighting Ceremony

Saturday, December 10 | Parade will begins at Swim Park and ends at Talons for Tree Lighting.

More information in the December edition of Eagle Harbor for details and information!

# **Junior Team Tennis**

Team tennis is for juniors ages 12-18 years old and is in full swing on Tuesdays and Thursdays from 4:30 to 6:30 p.m. This practice is for intermediate and advanced players. Practice consists of physical conditioning, stroke analysis, and point play.

Call the shop for further details. 904-269-2500.

# Developmental and Intermediate Jr. Clinics Booming

Junior clinics have been very well attended on Mondays and Wednesdays. For juniors ages 6-10 we have our Developmental clinic from 4:30 -5:30 p.m. on Mondays and Wednesdays. This is a great way to introduce your children to tennis. It is a fun, educational clinic that teaches them the game, eye-hand coordination and of course, how to have fun playing. We also have our junior intermediate clinic from 5:30-6:30 p.m. on Monday and Wednesday which focuses more on stroke production and rallying.

Hopefully there are some budding tennis players out there

that will want to pursue the game more than just on a clinic basis.

For those interested, there are Grand Prix playing opportunities in 2016. This is for kids 14 and under to be introduced to playing tennis and competing, although competing is a loose connotation (think T-Ball where the idea is to have fun and build skills). You can find the dates for these events at www.firstcoasttennis.com. Once on the site click on FCTF Junior Grand Prix near the top of the page. This will take you right to the annual calendar.

# **Men's Clinics**

Men's night is Wednesday nights from 6:30 - 7:30 p.m. This is for your beginner to intermediate player, normally a USTA 3.0-3.5 rated player. It is one hour of clinic and then round-robin afterwards. This is a great way to get out, meet players and get involved in the program.

Big Hitters clinic is also on Wednesday nights from 6:30-8 p.m. This is our more advanced men's clinic. This clinic caters to players with a USTA rating of 4.0 or higher. Call the pro shop for more details or help getting started!

## **New to Tennis?**

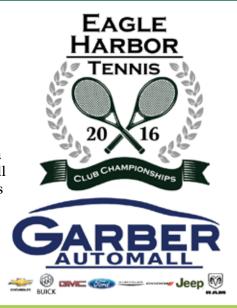

If you are interested in getting started playing tennis but don't know where to begin, please contact the Tennis Shop at 269-2500 and one of our staff members will be happy to assist you.

# Court Maintenance and Hours

The courts will be closed during the middle of the day for maintenance on a daily basis. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

# Eagle Harbor Club Championship November 5-6!

This will be a weekend of tennis, fun and a little competition! Food and refreshments will be provided by Talons. This will be a doubles tournament for men and women of all ages and ability. Winners will be forever remembered on our champion's plaque in the tennis shop! Come join us at the tennis courts for the best competition of the year!

# Problem: Often hitting serves too long. Repairs

1. For players of average height, hard, flat serves have to just barely clear the net, or they will go long. Only very tall players can get hard, flat serves in consistently enough to make them even begin to pay off, and advanced players rarely hit truly flat serves. Adding some topspin will increase your margin of clearance over the net to several times larger. The most preferred power serve among advanced players has a mix of topspin and slice.

- 2. Meeting the ball too low is like making yourself shorter, thus reducing the vertical angle from your racquet over the net to your target area. A low contact point also disrupts the upward whipping action you create at full extension. You should meet power serves at full upward extension.
- 3. You might be meeting the ball too far back. Generally speaking, meeting the ball more in front of you will make you hit lower. Either you're tossing too far back, or you're leaning too far forward before you've swung, thus getting ahead of the ball.

# **EAGLE HARBOR ASSOCIATION**

#### ANNUAL EAGLE HARBOR ASSOCIATION MEMBERS' MEETING & ELECTION OF DIRECTORS

10:00 A.M. • Saturday, November 19, 2016

at Sleep Inn Banquet Room 1815 East West Parkway, Fleming Island FL 32003

This meeting is for all Eagle Harbor residential and commercial owners located North of Highway 220 and West of Highway 17, as well as all Enclave owners.

All members of the Eagle Harbor Association (EHA) are encouraged to attend and should have already received the First Notice of the Annual Meeting, which was mailed out September 08, 2016 and included a Nomination Form if you wanted to be considered for the 2017 board of directors. All Nomination Forms will be considered.

The Second Notice of Meeting, mailed October 21, 2016 included the following:

- ITEM SPECIFIC AGENDA
- PROPOSED 2017 BUDGET
- NOMINEE BIOS

- ABSENTEE BALLOT
- PROXY
- VOTING AUTHORIZATION

All EHA members, in good standing with the association, will be eligible to vote and to elect board members, provided a quorum of the membership is present. Should a member not be in good standing, meaning you have an outstanding balance with the association, we encourage you to bring your account current prior to the meeting date as all members not in good standing are ineligible to vote or be counted toward the quorum requirement.

We hope everyone will be able to attend. However, should you not be able to attend the meeting we ask that you mail in your PROXY so that a quorum may be achieved and the business of the association can be conducted.

## **School Zones and Pedestrian Crossings**

School is back in session and so are SCHOOL ZONES! While we should always be aware of the speed limit, it's even more important now with many students walking and/or riding bikes to and from school. As we enter into fall and winter, a lot of high school students will be walking to their bus stops in the dark. Today's young people have many distractions available to them and they may not always be aware of their surroundings. For the safety of everyone, we ask that drivers be on alert and take particular care when driving through the community. Please take note of the speed limit, in particular, all school zones and pedestrian crossings in your area. Thank you!

## **NEW RESIDENT or New Mailing Address?**

If you are a NEW resident, in the MILITARY or an Eagle Harbor OWNER whose mailing address is different than your Eagle Harbor

property address, please contact the association manager, Theresa Graeser at: 904-278-0616 or tgraeser@paracleteservicesllc.com to insure the association has your correct mailing address.

# **CCSO CRIME WATCH**

## **Clay County Sheriff's Office (CCSO)**

Now that it's been a couple months since school started, we 've seen that School Days bring congestion: Yellow school buses are picking up their charges, kids on bikes are hurrying to get to school before the bell rings, and harried parents are trying to drop their kids off before work.

It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school

## **Sharing the Road with School Buses!**

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.

Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children. Here are the traffic law specifics regarding school bus encounters:

- All drivers moving in either direction on a two-way street must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- On a highway divided by a paved median, all drivers moving in either direction must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- On a highway divided by a raised barrier or an unpaved median at least 5 feet wide, drivers moving in the opposite direction do not have to stop for the bus (painted lines or pavement markings are not considered barriers). However, these motorists should slow down and watch for students loading or unloading from the bus.
- Be alert and watch for children especially near schools, bus stops, school buses and in school parking lots.
  - Pay extra attention to lower speed limits in school zones.
  - Watch for and obey signals from school crossing guards.
- Only drive or park in authorized areas to drop off or pick up children at school.

## **KIDS-What about Bus Stop Safety:**

- Arrive at the bus stop about five minutes before the bus is scheduled to arrive.
- Never sit on the roadway or the curb while waiting for your bus; wait in a safe place away from the road.
- Never speak to strangers at the bus stop or get into a car with a stranger. Always tell your parents, the bus driver and a teacher at school if a stranger tries to talk to you or pick you up.
- When the bus stops, wait for the driver's signal that it is safe to cross the road or board the bus.
- If crossing the street, look left, right and left again. Make eye contact and make sure your bus driver can see you as you cross the street
- Never walk behind the school bus and stay away from the bus wheels at all times.

## **KIDS-Safety on the Bus:**

- Know your bus driver's name and bus number.
- Remain seated at all times and keep the aisle clear.
- Don't put your head, hands or arms out the window.
- Stop talking and remain silent when the bus comes to a railroad crossing so the driver can hear if a train is approaching.
- Avoid any loud or disruptive behavior that could distract the bus driver from safely operating the bus.

By exercising a little extra care and caution, drivers and pedestrians can co-exist safely in school zones.

#### Let's review some safety tips for pedestrians that you should make sure your children are aware of:

- Walk on the sidewalk if there is one. If no sidewalks are present, walk against the direction of traffic so that you can see oncoming vehicles.
- Cross the roadway at corners or in crosswalks. Always watch for traffic when crossing the street.
- Never enter the roadway from between parked cars. If crossing mid-block cannot be avoided, pedestrians must yield right of way to vehicles on the roadway.
- Be seen. Wear bright, reflective colors on clothes, shoes, hats and wristbands. Carry a flashlight when walking at night.
- Avoid wearing headphones so that you can hear the traffic and pedestrians around you.
- Follow pedestrian signs and signals. Pedestrians should yield right of way to vehicles if the crosswalk signal is red or "Don't Walk."
  - · Never text or look at your cell phone when crossing

## **Eagle Harbor VIPS-Patrol Summary**

VIPS stands for Volunteers in Police Services. It's a formal Neighborhood Crime Watch program under the supervision of the CCSO. Since law enforcement can't be everywhere at once, our VIPS volunteers attempt to fill the gaps, and have direct radio access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required.

During the August daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods North of CR 220 and West of US 17) we noticed a total of 197 Garage doors open and unattended. Every garage door open is an invitation to theft. During August there were several thefts from unlocked autos parked in the driveway of homes in Eagle Harbor. Don't leave valuables or fire arms in your car and never leave your auto unlocked even for a few minutes. If you see suspicious activities do not hesitate to report it to the sheriff's office at (904)264-6512. We will continue to leave notices in the newsletter/advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door when no one is around. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this to keep our neighborhoods safe and secure.

There also have been several thefts from vehicles (all unlocked) in the parking lots of stores along County Route 220 and in Orange Park shopping areas as well as cars parked in driveways here in Eagle Harbor and Fleming Island Plantation. Do not leave your car unlocked when you leave it to go shopping, even if you're just going to run in to the store and be out quickly or in your driveway. Don't leave valuables in your car at any time.

We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: waltjoba@comcast.net Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office. Also we want to thank the CDD Board and the Eagle Harbor Golf Club for allowing us to use the "Cart Barn" to store our carts and use their space to have our volunteers maintain our carts. Without their support we wouldn't be able to provide the patrol services that we do.

# From the Clay County Sheriff's Office

We are asking the public to remember if you "Like It, Lock It". Keep your garage doors closed if you are not working in the front yard. Lock your car doors and do not leave valuables in plain view. When going to the gym place your valuables in a secure locker. At the tennis court bring a gym bag to put your valuables in and then place the bag near the net so it is not out of your sight. Criminals have been known to watch the parking lot near gyms and tennis courts, contact the Clay County Sheriff's Office at 264-6512 if you see anything suspicious. Thank you!
