ONGOING COMMUNITY INFORMATION

Utility Bonds: MBS Capital Markets, LLC, at the November 17, 2016 Board meeting, updated the Board about refinancing the Series 2007 Utility Refunding Bond and noted a fluctuating bond market, which will impact the overall savings to the District and Eagle Harbor utility customers. MBS noted that projected monthly debt capacity charge savings of about \$7.48, based upon new bond market parameters, would be reduced by about \$2.00/month to approximately \$5.30.

Golf Course Cart Paths: For your safety, everyone is reminded the cart paths and course are only for registered golfers and the use of the cart path for walking and riding bikes is dangerous and therefore prohibited.

Nutria: Nutria are an invasive species and have been spotted in various locations throughout Eagle Harbor and Northeast Florida. Nutria resembles a small beaver with a rat like tail. It is up to 25 inches in length, excluding the 15-inch sparsely haired, round tail; it has large reddish incisor teeth and partially webbed hind feet. Nutria are primarily nocturnal (active at night), with peak activity occurring near midnight. When food is abundant, nutria rest and groom during the day and feed at night. They build burrows in banks, with the entrances above water level, and feed on aquatic vegetation, lawn grasses, and ornamentals. Nutria are highly prolific and breed all year. Nutria can have up to thirteen young per litter and may have three litters per year. As an example of their proliferation: in 1938, twenty nutria were introduced into Louisiana and within twenty years, the nutria population exceeded 20 million animals.

Nutria can cause extensive damage to lake banks by burrowing and destroying the vegetation on the banks, which can lead to erosion and reduced functionality of our ponds as flood control. The Florida Fish and Wildlife Conservation Commission has not implemented a plan to eradicate nutria. In an effort to help homeowners with this invasive animal, the CDD Board and District Manager have employed an experienced wildlife company, Critter Control, to conduct a hunt for nutria at various times throughout the year.

If you do spot Nutria, please promptly notify the District Operations Manager, Steve Andersen, sandersen@gmsnf.com. Please also contact the Florida Wildlife Commission as this issue needs State attention to control.

OPERATION OF GOLF CARTS AND LOW-SPEED VEHICLES IN EAGLE HARBOR

Eagle Harbor is one of the few communities in Clay County that are fortunate enough to be approved for Golf Cart use on the roads of our community. While this is one of several wonderful amenities that we enjoy, it is very important that laws that govern the use of golf carts be followed in order to maintain resident safety. Many of the laws can be found in Florida Statute 316.212. A common misperception of a Golf Cart is that due to its low speed, it is a relatively safe vehicle. However, when operated outside of the laws, it can present hazardous conditions that may result in serious injury.

There are approximately 13,000 Golf Cart related accidents per year that require emergency room visits. Approximately 40% of those accidents involve children under the age of 16 and half of those are due to a fall from a moving cart. It is also very important to be cautious when turning left in a Golf Cart as this is when the vast majority of Golf Cart accidents take place.

Some of the laws relating to golf cart use found in FS 316.212 are as follows:

- 1.) A Golf Cart cannot exceed 20 miles per hour.

- 2.) Golf Carts can only be operated on designated roads where the speed limit is 30 miles per hour or less.
- 3.) Drivers must be 14 years or older.
- 4.) Golf Carts can only be operated from sunrise to sunset.
- 5.) Golf Carts cannot be driven on any sidewalks.
- 6.) Golf Carts must be equipped with sufficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflector warning devices on both the front and rear.
- 7.) Operators can be arrested for DUI on a Golf Cart.
- 8.) Operators can receive a citation against their driver's license (or future driver's license) for violation of Florida Statute 316.212. If your golf cart goes more than 20 miles per hour, it is no longer classified as a "Golf Cart," but is classified as a "Low Speed Vehicle (LSV)". According to Florida State Statutes, Low Speed Vehicles operate under a different set of rules than do Golf Carts. For Example:
 - 1.) Any person operating a Low Speed Vehicle must have in his or her possession a valid driver's license.
 - 2.) Low Speed Vehicles must be equipped with head lamps, stop lamps, turn signal lamps, tail lamps, reflex reflectors, parking brakes, rearview mirrors, windshields, seat belts, and vehicle identification numbers.
 - 3.) Low Speed Vehicles must be registered and insured.
 - 4.) Low Speed Vehicles may not exceed 25 miles per hour.
 - 5.) Low Speed Vehicles can only be operated on designated roads with posted speed limits of 35 miles per hour or less.
 - 6.) Low Speed Vehicles cannot be driven on any sidewalks.
 - 7.) Operators can be arrested for DUI on a Low Speed Vehicle.
 - 8.) Operators can receive a citation against their driver's license for violation of Florida Statute 316.2122.

In addition to the Golf Cart and LSV Florida laws, the CDD requires that all Golf Carts and Low Speed Vehicles register with Eagle Harbor prior to operating on District property. Registration is free and can be done by making an appointment at (904) 621-8362. Upon completing your registration, you will receive two number decals to adhere to the front and back of your vehicle. Low Speed Vehicles will receive different color decals. A copy of your current Eagle Harbor registration must always be on file. Failure to register may result in suspension of user privileges of the facilities and amenities. Thank you for your time and effort as we continue to improve the best community in Florida.

EXPANDING RECYCLING PROGRAM

Clay County is expanding our recycling program to accept more items, effective immediately! NEW items that are included in the recycling program:

- CD's and CD Cases
- Milk/creamer cartons
- Soup and broth cartons
- Juice boxes
- Baking tins

Items NOT included in Recycling Program: Plastic toys, plastic bags, clothes hangers, pizza boxes, motor oil containers, pool and other chemical containers, mirrors, window glass and broken glass, aerosol cans, electronics and pesticide containers. Recycling conserves natural resources and helps lower the cost of waste disposal. All containers should be emptied and rinsed clean. Place all recyclable materials in bins provided. Do not place anything but recyclables in bins. Please place recycle bins curbside by 6 a.m. on service day.

SERVING UP SOME LOVE

Each women's tennis team was given a local family to support for the holidays. Thank you to everyone who was so helpful and giving. And a special thanks to the following women for their generosity: Marie Fitzgerald, Wendy McCurry, Lisa Moyers, Nancy Wentz, Marty Schnabel, Shai Surdyke, Jen Mollicone, Jackie Kent

Eagle Harbor Club Championship

January 27-29

This will be a weekend of tennis, fun and a little competition! Food and refreshments will be provided by Talons. This will be a doubles tournament for men and women of all ages and abilities. Winners will be forever remembered on our champion's plaque in the tennis shop! Come join us at the tennis courts for the best competition of the year!

TENNIS

Play Tennis America

Each Monday in January there will be a free tennis clinic for Eagle Harbor residents who have not previously participated in the Eagle Harbor tennis program. We will answer your questions and teach the basics. Clinics will run from 6:30 p.m.-7:30 p.m.

Please call the Pro Shop at 269-2500 to sign up.

Dates are as follows:

January 9

Play Tennis America - Groundstroke

January 16

Play Tennis America - Volley

January 23

Play Tennis America - Serve

January 30

Play Tennis America - Rules

TENNIS

EAGLE HARBOR

Team tennis is for juniors ages 12-18 years old and is in full swing on Tuesdays and Thursdays from 4:30 to 6:30 p.m. This practice is for intermediate and advanced players. Practice consists of physical conditioning, stroke analysis, and point play.

Call the shop for further details. 904-269-2500.

Developmental and Intermediate Jr. Clinics Booming

Junior clinics have been very well attended on Mondays and Wednesdays. For juniors ages 6-10 we have our Developmental clinic from 4:30 -5:30 p.m. on Mondays and Wednesdays. This is a great way to introduce your children to tennis. It is a fun, educational clinic that teaches them the game, eye-hand coordination and of course, how to have fun playing. We also have our junior intermediate clinic from 5:30-6:30 p.m. on Monday and Wednesday which focuses more on stroke production and rallying.

Hopefully there are some budding tennis players out

there that will want to pursue the game more than just on a clinic basis.

For those interested, there are Grand Prix playing opportunities in 2016. This is for kids 14 and under to be introduced to playing tennis and competing, although competing is a loose connotation (think T-Ball where the idea is to have fun and build skills). You can find the dates for these events at www.firstcoasttennis.com. Once on the site click on FCTF Junior Grand Prix near the top of the page. This will take you right to the annual calendar.

TENNIS

Men's Clinics

Men's night is Wednesday nights from 6:30 - 7:30 p.m. This is for your beginner to intermediate player, normally a USTA 3.0-3.5 rated player. It is one hour of clinic and then round-robin afterwards. This is a great way to get out, meet players and get involved in the program.

Big Hitters clinic is also on Wednesday nights from 6:30- 8 p.m. This is our more advanced men's clinic. This clinic caters to players with a USTA rating of 4.0 or higher. Call the pro shop for more details or help getting started!

New to Tennis?

If you are interested in getting started playing tennis but don't know where to begin, please contact the Tennis Shop at 269-2500 and one of our staff members will be happy to assist you.

Court Maintenance and Hours

The courts will be closed during the middle of the day for maintenance on a daily basis. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

EAGLE HARBOR ASSOCIATION

ANNUAL MEMBERS' MEETING HIGHLIGHTS

The Eagle Harbor Association held its annual meeting at 10:00 a.m. Saturday, November 19, 2016 at the Fleming Island Sleep Inn Banquet Room. Resident participation, in person or by proxy was good but fell short by just 53 households! Ten percent (10%) of each voting member type is required for quorum as outlined in the Bylaws. Therefore, no formal business could be conducted at the meeting. However, board president, Rick Ignelzi presented the Association's past, present and future condition and answered resident questions.

Residents also were addressed by:

- Steve Andersen, Operations Manager for the Fleming Island Community Development District (CDD) and Ryan Parr, General Manager for Hampton Golf
- Mike Cella, County Commissioner
- Gary Patel – Sleep Inn Owner/Operator

The Board of Directors met in December to determine 2017 meeting dates and assign board positions for the coming year. Thank you to all who took time out of their busy schedule to attend the meeting.

The EHA, Inc. 2016 presentation can be found on the Eagle Harbor website: www.eagleharboronline.com.

2017 MEMBER ASSESSMENTS

Eagle Harbor Association (EHA) 2017 Annual Member Assessment Statements were mailed the week after Christmas. Payment is due no later than January 31, 2017. Payment received after this date may incur a \$5 late fee and 18% interest per annum from the payment due date. Please mail your payment payable to the EHA, Inc., to: EHA, Inc., PO box 9796, Fleming Island, FL 32006.

If you did not receive your 2017 EHA Statement or have questions about your payment amount, please contact our office at 904-278-0616.

RESIDENTIAL TRASH PICK UP

Trash, trash cans, yard waste and recycle bins should not be left out in view as stated in the Covenants and Restrictions, Article IV Section 5(n), "All garbage and trash shall be stored in closed containers hidden from view from any portion of the Property.", until the day before scheduled pick up.

Yard waste, recycle and trash bins should be placed curbside, not in the street, no earlier than 24hrs prior to the day of pick up.

HOLIDAY TRASH PICK UP SCHEDULE

Christmas & New Year's Day

Trash and recyclables will be collected on the normal collection schedule

NEW RESIDENT OR NEW MAILING ADDRESS?

If you are a NEW resident, in the military or an Eagle Harbor OWNER whose mailing address is different than your Eagle Harbor property address, please contact our office at 904-278-0616 to insure the association has your correct mailing address.

BLACK CREEK ASSOCIATION

The board would like to thank those members who took the time to attend the 2016 annual membership meeting in person or by proxy. Unfortunately, a quorum of the membership was not present and therefore no formal annual membership meeting, or election of the board of directors could take place. The current board of directors will remain 'as is' until such time that a quorum of the membership is present and an election can take place as outlined in the community documents. Even though there was no formal meeting, board president, Zane Butler took the opportunity to discuss the current position of the association and answer questions of members present.

Current board members for the Black Creek at Eagle Harbor Association are as follows:

President	Zane Butler
Vice President	Roy Walker
Secretary	Judy Fields
Treasurer	Vicki Hawkins
Director	Beth Ann Kovacs

For full details of the meeting please see the 2016 Annual Meeting Minutes which will be posted on the Black Creek HOA page of the Eagle Harbor community website located at: <http://www.eagleharboronline.com> upon board ratification.

BEAUTIFUL BLACK CREEK HOMES

Black Creek residents are fortunate to live in a beautiful community. Mature trees, lots of preserve area, lush landscaping and well maintained homes are what attracted most of us here. We love to live in a beautiful residence but most of us know that, while maintaining our home is a work of love, it is work. Most homes will need to be repainted after 20 years, stone facades need upkeep, and the tropical climate means our yards need constant weeding, mowing, and edging. Please be aware that if you are contemplating changing anything about the exterior

appearance of your home, you will need to submit an application to the ARC for review. This is to ensure that the overall appearance of the neighborhood will be maintained and that the value of the individual homes will be preserved. For most of us our home is our single largest investment; and a little effort will result in a home to be proud of, and a beautiful neighborhood for all.

CCSO CRIME WATCH

CLAY COUNTY SHERIFF'S OFFICE (CCSO)

It's January and the start of a new year and probably there were a lot of bicycles under the Christmas tree, so some new riders will be out and about in force so it may be a good time to look at the laws and rules governing bicycle operation in Florida for both the bike riders and the drivers of automobiles.

Florida Safe Passing Laws:

Florida requires the driver of a vehicle overtaking a bicycle or other non-motorized vehicle must pass the bicycle or other non-motorized vehicle at a safe distance of not less than 3 feet between the vehicle and the bicycle or other non-motorized vehicle.

Source: Fla. Stat. §316.083

Florida Helmet Law:

Florida requires that any person under the age of 16 riding a bicycle, as an operator or passenger, must wear a protective bicycle helmet.

The failure of a person to wear a bicycle helmet or the failure of a parent or guardian to prevent a child from riding a bicycle without a bicycle helmet may be considered evidence of negligence or contributory negligence.

Source: Fla. Stat. §316.2065

Where to Ride:

Florida requires that a bicyclist, traveling at a speed less than the speed of traffic, must ride as close as practicable to the right-hand edge of the roadway except under any of the following circumstances:

- When overtaking and passing another bicycle or vehicle proceeding in the same direction;
- When preparing for a left turn at an intersection or into a private road or driveway;
- When reasonably necessary to avoid any unsafe condition or potential conflict, including one caused by a lane that is too narrow for a bicycle and another vehicle to travel safely side by side within the lane; or
- When a bicycle lane is available.

Source: Fla. Stat. §316.2065(5)

Sidewalk Riding:

Florida allows bicycles to operate on sidewalks subject to the following rules:

- A person propelling a vehicle by human power upon and along a sidewalk, or across a roadway upon and along a crosswalk, has all the rights and duties applicable to a pedestrian under the same circumstances; and
- A person propelling a bicycle upon and along a sidewalk, or across a roadway upon and along a crosswalk, shall yield the right-of-way to any pedestrian and shall give an audible signal before overtaking and passing such pedestrian.

Source: Fla. Stat. §§316.2065(9)-(10)

Mandatory Use of Separated Facilities:

Florida requires that any person operating a bicycle upon a roadway at less than the normal speed of traffic at the time and place and under the conditions then existing shall ride in the lane marked for bicycle use if a lane is marked for bicycle use.

Source: Fla. Stat. §316.2065(5)

Bicycling Under the Influence:

In Florida, bicycles are defined as vehicles. Florida's law prohibiting driving while under the influence of alcohol or other

controlled substances is written so that it applies to all vehicles and therefore applies to bicyclists. Bicycles should not be operated while intoxicated and operating a bicycle while under the influence of alcohol or other controlled substances may result in severe punishments.

Source: Fla. Stat. §§316.193; 316.003

Requirement to Stop:

Florida does not provide any modifications to the requirement to come to a complete stop when directed to stop by traffic control devices and does not authorize bicyclists to disobey traffic lights.

Dooring law:

Florida requires that no person open any door on a motor vehicle unless and until it is reasonably safe to do so and can be done without interfering with the movement of other traffic. In addition, no person shall leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers.

Source: Fla. Stat. §316.2005

Treatment as a Vehicle:

In Florida bicycles are vehicles according to the statute that defines vehicles and a person riding a bicycle has all of the rights and duties of the driver of a vehicle as provided in Chapter 316 of the Florida Statutes, except as to those provisions which by their nature can have no application.

Eagle Harbor VIPS-Patrol Summary

VIPS stands for Volunteers in Police Services. It's a formal Neighborhood Crime Watch program under the supervision of the CCSO. Since law enforcement can't be everywhere at once, our VIPS volunteers attempt to fill the gaps, and have direct radio access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required.

During the October, daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods North of CR 220 and West of US 17) we noticed a total of 173 Garage doors open and unattended. Every garage door open is an invitation to theft, fortunately there were no thefts from garages reported by Eagle Harbor residents to the Sheriff's Office. If you see suspicious activities do not hesitate to report it to the sheriff's office at (904)264- 6512. We will continue to leave notices in the newsletter/ advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this to keep our neighborhoods safe and secure.

Summer will soon be here here and many of you are starting to think about planning a vacation. Include a phone call to the Sheriff's office in your plans. CCSO has a **Vacation Watch Program** that will have a deputy sheriff stop by frequently and check on your residence during your absence to make sure everything is secure and safe. To enroll in the Vacation Watch Program call the Sheriff's Dispatch Office at (904) 264-6512. Remember to stop your newspaper subscription and put your mail delivery on hold. Newspapers accumulating in the drive way and a mailbox that is crammed with mail are signals to a burglar that you're away. If you see newspapers stacking up in the neighbor's driveway please pick them up and store them out of sight. This is a simple way to prevent crime.

We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: waltjoba@comcast.net Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office. Also, we want to thank the CDD Board and the Eagle Harbor Golf Club for allowing us to use the "Cart Barn" to store our carts. Without their support we wouldn't be able to provide the patrol services that we do.
