- promotes fitness and teaches a child to strive for physical achievement
- is a healthy "lifetime" activity which is relatively injury free in comparison to other youth sports
- teaches the life lessons of sport and sportsmanship which include learning to deal with winning and losing as well as working with officials, teammates and coaches
- cultivates a positive mental attitude and high self-esteem

Family Assessment Agreement

The Scream'n Eagles Summer Swim Team is a local Eagle Harbor community team that relies completely on parent support and involvement, especially during swim meets. Each and every family is **expected** to contribute to **3 or more meets, plus championships**. You will be "on call" at all meets. There are many positions on/off deck to assist the team in reaching its goal of having well-organized and planned meets. At the parent orientation meetings at the beginning of the season we will discuss meets and volunteer positions. At that time you will be required to commit to a volunteer position.

A one time deposit of \$75 per family will be due at the time of registration. If your family meets the **volunteer criteria**, this deposit will be voided at the end of the swim season. (Checks made payable to **Eagle Harbor dated for July 31st, 2018**) Or, you may choose to allow Eagle Harbor to charge your amenities number using your member charge if you have that privilege attached to your amenities number.

I understand and agree to the Scream'n Eagles Family Assessment Policy. I will be responsible for my assigned volunteer position or providing a replacement in my absence. My signature below indicates my acknowledgement and agreement to these terms and conditions.
