Updated 6/5/2018

*To be completed by the owner of the property.*

**Please print clearly**

Return this form to Elim Services as soon as possible to ensure access into your community once the gate barrier arms are installed. You may email *\*as an attachment\**, not just in the body of the email, fax or postal mail the form back to us. Please include only one name and phone number per form. The name and phone number listed will be shown on the telephone entry system directory. See the Resident Instructions form for more information regarding name display. On the back of your gate remote are **5 numbers** (all are numerical only and no two remote numbers are the same). Please provide those numbers for each remote that you want entered in. **ALL** remotes must be programmed in as this is a new system. Include this form filled out with payment. **\*Clearly\*** indicate where you would like your new remotes mailed to.
