SWIM SEASON IS ALMOST HERE

This season we will have only one entry into the pool area, which will be through the main gate in front. All residents will sign in at the Guest Sign-in Table located in front of the main gate, and let us know the number of guest you are bringing. The gate by the playground is an exit only gate. This will help us to know how many residents and guest are using our pools on a daily, weekly, monthly basis and for holiday and special events. It will also help us determine what we need to do to meet the demands of facility usage.

Who can come to the pool without an Adult?

Residents who are 15 years or older may come to the pool without an adult when a guard or attendant is present. Children 14 or younger MUST be accompanied with an Adult who is at least 16 years old when a guard of attendant is present.

What floatation devices are allowed in the family pool?

Noodles, safety floatation devices for infants that have holes in for the feet to go through, Puddle jumpers, swimmies with adult supervision, and kick boards are permitted in pools. BOOGIE BOARDS, BODY BOARDS, MERMAID TAILS, LARGE INFLATABLES and RAFTS will NOT be permitted in any pool.

Diaper Changing:

For comfort of others and privacy to infant, "NO" diaper changing will be permitted on the deck. Both, ladies and men restrooms are equipped with diaper changing areas.

Slide Height Requirements:

Children must be 40" to go down slide and be able to swim to the side. Anyone under 40" will not be permitted to go down slide.

Coolers:

Are permitted in pool area, no glass on pool deck.

Lap Pool:

Lap swimmers have PREFERENCE to pool use. "NO" hanging on lane lines. "NO" interfering with lap swimmers. "NO" horse play in lap pool.

Swim Attire:

Proper swim attire is required at all times. No thongs, Brazilian bikinis or similar revealing styles are allowed. No street clothes, including, but not limited to cutoffs and jeans, are permitted in the pool

SAFETY FIRST

As the Spring and Summer months are upon us, it's a good time to remind ourselves of all the young people out in our neighborhoods walking, riding, playing and doing other outdoor activities.

In most of our neighborhoods in Aberdeen, the maximum speed limit varies from 30mph to 25mph. Please be cognizant of your speed, it only takes a second for a child to run out into the road chasing a ball or riding their bike and you have to be ready to "stop on a dime". You'll never get in trouble for "5 under". Have a great summer and be safe out there!

Aberdeen Swimming School

American Red Cross is a nationally recognized curriculum for swim instruction. This lesson program emphasizes water safety and encourages skill development by providing effective awards of achievement. All Swim Instructors at Aberdeen have been certified through the Starfish Swimming Program.

Aberdeen's lessons are a total learn-to-swim and water safety curriculum program for all ages and stages of aquatic development—toddlers through competitive swimmers. Children will learn water safety, body positioning, proper technique and recovery. Class placement will be based on age and ability.

Level 1 – Children should be at least three years old.

Purpose: to help students feel comfortable and safe in the water. This introductory level is for non-swimmers or those who are not comfortable putting their face in the water. Skills taught include breath holding, back float, entering water independently, introduction to flutter kicking, and floating. Students with water experience may move through this level quickly.

Level 2 – Children should be comfortable in the water and swim 10 yards of front crawl.

Purpose: to give students fundamental and self-propulsion skills. Skills taught include unsupported front and back glide, front crawl coordination with breathing, and back crawl.

Level 3 – Children should be able to swim front crawl and 10 yards of back crawl.

Purpose: to build on and practice Level 2 skills. Skills taught include coordinating front crawl and back crawl, dolphin kick, and introduction to threading water, streamline, and breaststroke.

Swim Lesson Prices –

Group Lessons Levels 1-3: \$120/package of eight

Private Lessons: \$220/package of eight

Semi-Private Lessons: \$300/package of eight (\$150/person)

PLEASE NOTE: Participation in a swimming program does not “drown-proof” your child. Lessons are vital for enabling your children to become more acclimated to water and to provide them with the proper tool for swimming independence. Adult supervision is essential in and around all aquatic environments, no matter their swimming ability.

Sea Turtle Season in Florida

From May 1 through October 31, the area beaches host an unusual marine visitor - the sea turtle. These magnificent animals emerge from the surf at night to lay their eggs in nests dug into the dry sand, then return to the sea. Two months later, about a hundred baby turtles (hatchlings) emerge from each of these nests and crawl to the ocean. This amazing cycle of Mother Nature is thousands of years old.

Our government has taken several steps to protect these gentle creatures and the fragile dune area. Beach driving and parking is prohibited west of an established dune conservation zone and beachfront lighting at night is limited. The tiny hatchlings can be confused by bright lights and stray west away from the water.

Please take the following precautions when visiting the beach during sea turtle season:

- Don't disturb a turtle that is crawling to or from the ocean or laying eggs. Watch from a distance of at least 30 feet.
- Avoid shining lights on the beach at night as this may frighten away nesting females and, interfere with the hatchlings ability to find the sea.
- Avoid walking or cycling in nesting areas
- Report any injured or dead sea turtles to the Sheriff's Office: (904) 824-8304, SJC Habitat Conservation: (904) 209-3740 or FL Fish & Wildlife Conservation Commission's 24-hour Wildlife Alert Number: 1-888-404-3922
