## Facebook

Be sure to check us out on our Residents of Aberdeen St Johns Florida or Aberdeen Amenity Center Facebook Pages. On these pages we will post event reminders, event changes and community news.

Just a reminder...

As we continue to have a lot of new neighbors move into Aberdeen and join our page, we would first like to welcome you to Aberdeen and remind everyone that we are a friendly neighborhood and our Facebook page should reflect that. Be kind.

The Aberdeen neighborhood page is for sharing community information and updates for the Aberdeen community. This includes posts such as Amenity Center programs or activities, neighborhood and security issues, HOA & ARC questions/concerns, CDD meetings and updates, school/School Board updates, questions related to our neighborhood and lost pets.

For sale items and/or goods or services and personal small business advertisements should **NOT** be posted here and will be removed. Please use Aberdeen Swip –Swap or Aberdeen Small Business for those types of posts. Thank you for your cooperation.

# School Bus Safety!

Florida school buses carry precious cargo – our children. Motorists should always be alert and drive with caution around school buses and in school zones where children may be present.

## **Motorist and School Bus Safety Tips:**

All drivers moving in either direction on a two-way street must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.

On a highway divided by a paved median, all drivers moving in either direction must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.

On a highway divided by a raised barrier or an unpaved median at least 5 feet wide, drivers moving in the opposite direction do not have to stop for the bus (painted lines or pavement markings are not considered barriers). However, these motorists should slow down and watch for students loading or unloading from the bus.

Be alert and watch for children especially near schools, bus stops, school buses and in school parking lots.

Pay extra attention to lower speed limits in school zones.

Watch for and obey signals from school crossing guards.

Only drive or park in authorized areas to drop off or pick up children at school.

Each illegal pass-by could result in a tragic injury or fatality of a student. The inconvenience of an extra few seconds spent waiting for a stopped school bus is insignificant compared to the loss of a child's life.

Drivers who improperly pass a stopped school bus commit a moving violation subject to citation and will be required to complete a basic Driver Improvement Course upon conviction.

## **Safety at the Bus Stop:**

Arrive at the bus stop about five minutes before the bus is scheduled to arrive.

Never sit on the roadway or the curb while waiting for your bus; wait in a safe place away from the road.

Never speak to strangers at the bus stop or get into a car with a stranger. Always tell your parents, the bus driver and a teacher at school if a stranger tries to talk to you or pick you up.

When the bus stops, wait for the driver's signal that it is safe to cross the road or board the bus.

If crossing the street, look left, right and left again. Make eye contact and make sure your bus driver can see you as you cross the street.

Never walk behind the school bus and stay away from the bus wheels at all times.

## **Safety on the Bus:**

Know your bus driver's name and bus number.

Remain seated at all times and keep the aisle clear.

Don't put your head, hands or arms out the window.

Stop talking and remain silent when the bus comes to a railroad crossing so the driver can hear if a train is approaching.

Avoid any loud or disruptive behavior that could distract the bus driver from safely operating the bus.

# SCHOOL BUS

**TWO-LANE:**  
Vehicles traveling in both directions **MUST** stop

**MULTI-LANE Paved Across:**  
Vehicles traveling in both directions **MUST** stop

**DIVIDED HIGHWAY**  
Unpaved space (Min 5ft) OR any raised median/physical barrier.  
Vehicles behind bus **MUST** stop.  
Vehicles traveling in the opposite direction proceed with caution.

*School bus traffic violations can be both dangerous and costly. Remember your bus safety rules, be cautious and drive safely. Let's have a great school year at Aberdeen!*

**School bus transportation is safe.**  
In fact, buses are safer than cars! Even so, last year, approximately 26 students were killed and another 9,000 were injured in incidents involving school buses. More often than not, these deaths and injuries didn't occur in a crash, but as the pupils were entering and exiting the bus.

## SCHOOL BUS SAFETY TIPS

**Stay away** from the bus until it comes to a **complete stop** and the driver signals you to enter.

Stay away from the bus until the driver gives his/her signal that it's ok to approach.

**Keep a safe distance** between you and the bus. Also, remember that the bus driver can see you best when you are back away from the bus.

Have a safe place to wait for your bus, **away from traffic and the street.**

**Be aware of the street traffic around you.** Drivers are required to follow certain rules of the road concerning school buses, however, not all do.

When being dropped off, exit the bus and **walk ten giant steps away** from the bus.

**Use the handrail** to enter and exit the bus.

**Protect yourself and watch out!**

# BUCKETS OF LOVE

Across the country, millions of children are facing difficult challenges. From the 6 million who are admitted to hospitals each year to the 1.7 million who experience homelessness, there are children in need in every corner of our country.

Reagan and Payton, two sisters from Dover, Delaware, are on a mission to comfort those facing hard times with Buckets of Love. Help them bring joy by donating items that inspire youth to have fun and use their imagination.

**WHAT:** Buckets of Love are buckets filled with toys, art supplies, and other items designed to make children in need smile and feel loved.

**FOR WHO:** The buckets can benefit children in need generally. In Delaware, Payton and Reagan donate the buckets to children experiencing homelessness or sickness.

## ANYONE CAN PARTICIPATE. HERE ARE 5 EASY STEPS:

Step 1: The Amenity Center has selected Hugs Across the County as our charity this year. <http://www.stjohnshugs.org/>

Step 2: Collect nut free snacks, art supplies, toys, games, and/or stuffed animals

Step 3: Write an encouraging note

Step 4: Package it all in a bucket

Step 5: Log your impact at [lead360.jeffersonawards.org](http://lead360.jeffersonawards.org)

Bonus Step: Share pictures of your activation on social media using #LEAD360

# WHEN THUNDER ROARS - STAY INDOORS!

**Florida is the lightning capital of the United States and it is ranked as the number one state for deaths due to lightning.**

- ◇ Did you know that lightning kills more people in the U.S. than hurricanes and tornadoes combined?
- ◇ Lightning travels at the speed of light, while thunder travels at the speed of sound.
- ◇ A single bolt of lightning can discharge about 100 million bolts of electricity and can travel as far as 10 miles from a cloud. It does not need to be dark directly overhead.
- ◇ If you can hear thunder, you are within striking distance!
- ◇ It has been known to travel through clear air and strike 10 miles from the storm like a “bolt out of the blue!”
- ◇ Lightning is actually 5 times hotter than the sun’s surface!

**With all of this knowledge and critical information we’d like to remind you of Aberdeen’s thunderstorm policy. If we hear thunder or see lightning, we will close the facility for 30 minutes. Every time thunder is heard or lightning is seen, the clock is restarted to 30 minutes. This is strictly enforced for your safety!**

**No life is worth the risk!**
