

# CALL FOR CANDIDATES FOR OPCCOA BOARD OF DIRECTORS

By Marilyn Mackin

At the end of 2018, the terms of office for four members of the OPCCOA BOD will end. Volunteers are being sought to fill these positions. Please consider running for the Board.

Qualifications for BOD members include possessing a desire to positively serve the community; having the ability to attend monthly meetings; be a homeowner "in good standing" (not delinquent in paying HOA dues or assessments); be familiar with electronic communications; and be willing to be a community-minded team player. Additionally, Florida Statutes require that Board members read and become familiar with the governing documents for the community. Aspiring members can find these documents via a link on our website ([www.opcc.info](http://www.opcc.info)).

If you are interested in running for a vacant position, fill out the application form found below. Since the form will be scanned for publication in Living, it is recommended that candidates type the information. Once completed, please mail the application to OPCCOA c/o Leland Management (10175 Fortune Parkway, Suite 906 Jacksonville, FL 32256-6755) or email the form to our Community Manager, Al Allen at [asallen@lelandmanagement.com](mailto:asallen@lelandmanagement.com). Applications must be received no later than 5:00 p.m. on Wednesday, October 17. The completed applications will be published in the December issue of Living and posted on the community website.

The Annual Meeting will be held at the Advent Lutheran Church on Thursday, December 6, at 6:00 p.m. At this meeting, applicants may say a few brief comments – if desired. Speeches are not required.

Formal notice of the meeting, ballots and proxies will be mailed to eligible homeowners in early November. If you have any questions, please feel free to contact any BOD member or Al Allen of Leland Management at 904-263-4060.

This is your opportunity to serve the community and become involved in our community's future. Please consider volunteering your time and expertise to make sure OPCC remains one of the premier communities in the area.
