

LITTLE HATS ♥ BIG HEARTS

COLLECTIONS BEGIN: SATURDAY, SEPTEMBER 1 | DELIVER TO: WATERFRONT PARK
LAST DAY FOR COLLECTIONS: MONDAY, DECEMBER 10

We are looking for volunteers for the American Heart Association's Little Hats, Big Hearts project. To celebrate American Heart Month, volunteers are asked to knit red hats (or donations of red yarn) for all babies born in February at both the hospitals' Mother-Baby units and Neonatal Intensive Care units, so they need hats in both newborn and premature sizes.

EAGLE HARBOR, WE NEED YOUR HELP AND WE WANT TO SHOW OUR SUPPORT AS A GREAT COMMUNITY!

This project is to help raise awareness of heart disease, the number one killer of Americans, and congenital heart defects, the most common type of birth defect in the country.

YARN SPECIFICS: RED, COTTON OR ACRYLIC, MEDIUM TO HEAVY WEIGHT, MACHINE WASHABLE AND DRYABLE.

It is also recommended to use simple hat patterns. While we love bows and buttons, they can come off the hats and be dangerous for the little ones.
