

WHAT IS AUTOPAY?

Evergreen Lifestyles Management, through your association's bank, offers homeowners an opportunity to pay their balance due (assessments, late fees, interest, NSF) using automated electronic payments.

Attorney fees, special assessments, and violation fines will not be drafted through AutoPay.

Preauthorized automated electronic assessment payments eliminate the need for check writing and the potential for late payments. In the process, the association is assured prompt, predictable payments to help better manage funds.

“AutoPay allows the association assured, prompt, and predictable payments to help better manage funds.”

HOW DOES AUTOPAY WORK?

The preauthorized electronic assessment payment service uses the Federal Reserve System's Automated Clearing House (ACH) to facilitate electronic transfers from homeowner checking/savings accounts directly into the association's bank account. Funds are transferred between the 8th and 12th day of the month, according to your community's billing cycle, and will appear on the homeowner's bank statement.
