Routine Agenda

The Board in February worked through a routine agenda with Staff, who outlined numerous projects that are active throughout the community, including the new Splash Pad at Swim Park, landscape cleanup and the need for updates/revisions to the swim and guest policies. Look for further information at future meetings.

NUTRIA

Nutria is an invasive species and has been spotted in various locations throughout Eagle Harbor and Northeast Florida. Nutria resembles a small beaver with a rat like tail. It is up to 25 inches in length, excluding the 15-inch sparsely haired, round tail; it has large reddish incisor teeth and partially webbed hind feet. Nutria are primarily active at night with peak activity occurring near midnight. When food is abundant, nutria rest and groom during the day and feed at night. They build burrows in banks, with the entrances above water level, and feed on aquatic vegetation, lawn grasses, and ornamentals. Nutria are highly prolific and breed all year. Nutria can have up to thirteen young per litter and may have three litters per year. As an example of their proliferation: in 1938, twenty Nutria were introduced into Louisiana and within twenty years, the nutria population exceeded 20 million animals.

Nutria can cause extensive damage to lake banks by burrowing and destroying the vegetation on the banks, which can lead to erosion and reduced functionality of our ponds as flood control. The Florida Fish and Wildlife Conservation Commission has not implemented a plan to eradicate nutria. In an effort to help homeowners with this invasive animal, the CDD Board and District Manager have employed an experienced wildlife company, Critter Control, to conduct a hunt for nutria at various times throughout the year.

If you spot Nutria, please promptly notify the District Manager, Steve Andersen, sandersen@eagleharborcdd.com. Please also contact the Florida Wildlife Commission as this issue needs State attention to control.

CCSO CRIME WATCH

Clay County Sheriff's Office (CCSO)

Last month we wrote about installing an alarm system to help protect your home. If you don't have an alarm system or would like to augment your system, what are some of the actions you can take to shore up your homes weak spots and what habits should you adopt to make a crook's job more difficult?

Let's see what you can do to augment an alarm system and fortify your fortress:

- "Case" your house just as a burglar would. Where is the easiest entry? How can you make it more burglar-resistant?
- Trim trees and shrubs near doors and windows so that they don't provide cover for a thief. Think before you install a tall privacy fence around the back yard; it could give thieves more privacy to work.
- Install exterior lights with motion detectors, mounted out of easy reach, to reduce the darkness that burglars find comforting to work in.
- Add upgraded locks, deadbolts or other simple security devices to doors and windows, and keep them locked.
- Don't put your home address on your key ring, and don't hide spare keys in a "secret" place outside the house.
- Notify the sheriff's office if you see suspicious strangers in your neighborhood.
- Locking doors and windows whenever you are away from home is a must. The same holds true for your auto. Never leave your auto unlocked. There have been thefts from unlocked autos in home driveways and mall parking lots. Never leave your auto unlocked if it is unattended.

Florida "MOVE OVER LAW"!!

Are you familiar with the Florida "Move Over Law"?

Imagine you are driving down the Florida Turnpike at 70 MPH and you see an FHP officer on the right shoulder with their lights on and a car pulled over. Do you stay in the right lane and fly by the officer's car?

Move Over:

The "Move Over Law" requires you to move over a lane or slow down to 20 MPH below the speed limit. If you are on a road where the speed limit is 20 MPH or less, you are required to slow down to 5 MPH. The purpose of the "Move Over Law" is to protect law enforcement and emergency vehicle workers from being hit by vehicles passing them at high speed. If you are not in the lane closest to the stopped emergency vehicle you should be prepared to allow other drivers to move over.

If You Violate The Move Over Law:

If you fail to move over you can be issued a ticket, can receive 3 points on your license, and have to pay a fine. More importantly you will be putting emergency workers in danger.

Move Over Law Summary:

On Multi-Lane Roads:

- Drivers must vacate the lane closest to the stationary emergency vehicle; tow truck, sanitation, or utility vehicle.
- Drivers must slow down to a speed of 20 mph below the posted speed limit if they cannot move over safely.
- Drivers who are not in the lane closest to the stationary vehicle should be prepared to allow those who are to move over into their lane.

On Two Lane Roads:

- Drivers must slow down to a speed of 20 mph below the posted speed limit.
 - If the speed limit is 20 mph or less, drivers must travel at 5 mph
- The Key is to pay attention when you are driving and if you see an emergency vehicle Move Over--

Eagle Harbor VIPS-Patrol Summary

VIPS volunteers attempt to fill the gaps and have telephone access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required. The VIPS patrols throughout the Eagle Harbor Neighborhoods provide additional CCSO visibility and additional sets of eyes to notice strange or suspicious activity, hopefully aiding in crime deterrent. We are representatives of the Clay County Sheriff's Office and the only reports we provide are these monthly articles and the notices we leave are courtesy reminders about securing your property and are not citations that are recorded.

During the January daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods North of CR 220 and West of US 17) we noticed a total of 105 Garage doors open and unattended. Every garage door open is an invitation to theft, fortunately there were no thefts from garages reported by Eagle Harbor residents to the Sheriff's Office. There was though, a theft reported from an unlocked car parked in the driveway in Eagle Harbor. If you see suspicious activities do not hesitate to report it to the sheriff's office at (904)264- 6512. We will continue to leave notices in the newsletter/advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this to keep our neighborhoods safe and secure.

If we see Newspapers piling up in a driveway while we're on patrol, the VIPS volunteers will stop and gather the papers and place them in inconspicuous place on the property. Please do the same if you see this on a neighbor's driveway. Let's help each other out and reduce the opportunity for crime in Eagle Harbor.

Theft from vehicles continues to be a common property crime reported to the Sheriff's Office and almost without exception the vehicles were unlocked. Recently gangs of criminals are targeting locations such as daycare centers, filling stations, etc where drivers leave their cars unlocked while they run in to pick up their child or use the restroom and leave their wallet or purse in the car. Lock your car whenever you leave it no matter how briefly you'll be gone. A thief can have your wallet/purse/cell phone in seconds from an unlocked vehicle. When you are out shopping or leaving your vehicle unattended at home, secure your vehicle and do not leave packages or property in your vehicles where they are visible. The VIPS goal is to deter crime and inform our residents about what is happening in the neighborhood and surrounding areas and how to prevent crimes. The Sheriff says, "If you like it lock it".

We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: waltjoba@comcast.net Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office. Also, we want to thank the **CDD Board and the Eagle Harbor Golf Club** for allowing us to use the "Cart Barn" to store our carts and use their space to have our volunteers maintain our carts. Without their support, we wouldn't be able to provide the patrol services that we do.

EAGLE HARBOR ASSOCIATION

SIGNS, SIGNS, EVERYWHERE A SIGN

Eagle Harbor is a visually attractive beautifully maintained community. Its well-manicured streets and landscaped yards and common areas are desirable traits that attract buyers to our community and help us maintain our property values. However a weekend drive down the parkway revealed a plethora of unauthorized open house signs, ad signs and homemade yard sale signs. The appearance of these signs greatly detract from the visual appeal of the community and are a violation of **Article V Section 5** of the covenants which states **"no signs or advertisements of any kind may be placed on any portion of the Property without the approval of Declarant as to size, design, content and location"**. Approved moving sale signs are available at the management office located at 2105 Harbor Lake Dr. All other signage shall be compliant with the Eagle Harbor Sign Guidelines. Contact the HOA office if you have

questions or need a copy of the Eagle Harbor Sign Guidelines: 904-278-0616.

Senior Men's Interclub

Monthly at 9 a.m. on Mondays

\$65 for golf, cart, range balls, lunch and prizes

Any man 55 years of age or older who is a Patron or a GHIN Member of the Eagle Harbor Golf Club is invited to join us.

Each month we field an eight-man team to compete against select clubs in the Jacksonville area over an eleven-month season.

The venues sequence through fifteen or more courses, including neutral (non-league) clubs, such as Deerwood, Palencia, and Ponte Vedra Inn for the season-ending championship.

For further details, please check the league website at jaxsi.org/index.html.

Briefly put, your first three matches are played off your USGA Handicap Index. Thereafter, like everyone else, you play against a league index based on the best three of your most recent six league scores, adjusted for equitable stroke control. The format is net Stableford, as specified in USGA Rule 32-1b, whereby points are awarded for net scores of bogey, par, birdie, eagle and double eagle: 1, 2, 3, 4 and 5 points, respectively.

Each team member plays in a four-man group with fellow competitors from three different clubs. The pairings are randomly assigned. So, you are as likely to play with a 2 handicapper as with a 30 handicapper. No matter, since everyone is playing against his own handicap, which guarantees a level playing field.

A monthly sign-up sheet is posted on the bulletin board in the golf shop. A random drawing determines the roster when more than eight players sign up. For more information, call 269-9300!

Have court alerts sent directly to your phone!

Text EHT17 to 84483 to receive alerts from Eagle Harbor Tennis (make sure you capitalize EHT).

Tennis Court Maintenance And Hours

12-3PM Daily!! The courts will be closed during the middle of the day for maintenance on a daily basis. During these hours, courts may not be reserved or guaranteed. Walk-on players should see a Member of staff to determine if there are any courts that may be available. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

New Clinics

Adult Beginner's Clinic Wednesdays 6:30pm-7:30pm \$15

This is a co-ed adult tennis clinic for anyone that is looking to learn how to play or knock the rust off from when they were younger. Afterwards there will be courts reserved for you to practice your new skills.

Teen Tennis ages 12-18 years old (beginners) Wednesdays 5:30-6:30pm \$10 per player

Contact the Tennis Shop 269-2500 or www.eht.tenniscodes.com to sign up.

New to Tennis?

If you are interested in getting started playing tennis but don't know where to begin, please contact the Tennis Shop at 269-2500 and one of our staff members will be happy to assist you.

Eagle Harbor Tennis Dress Code

Proper tennis attire and shoes are required at the tennis courts.

Tennis now has 6 Hydro-clay courts. Having the proper NEW shoes work best on these courts to help prevent injury.
