## What can be Recycled?

Most of our homeowners are well informed about recycling but there are a few "specialty items" that require extra consideration.

Advanced Disposal takes a variety of items but they will not dispose of residential hazardous waste. Rosemary Hill Landfill located off Dairy Road will take electronics, batteries, paint, propane gas tanks, pesticides and various household chemicals. The service is free to residents. If you have any questions about what they will accept, please call them at (904) 284-6374. The landfill is open Mon. – Sat. from 7:30 a.m. – 5:30 p.m.. Additionally, CFL light bulbs can be disposed of in a bin at the entrance of Home Depot.

Advanced Disposal will take refrigerators, washers, dryers, stoves, water heaters, and freezers. However, you will need to

contact Advanced Disposal at (904) 695-0500 to arrange for a special pick-up. Do not leave these items at the curb as they pose a threat to small children and could result in a fine for the homeowner. After pick-up has been arranged, all such items should be securely sealed.

Advanced Disposal also takes furniture. Items can be left at the curb, the night before scheduled pick-up, and your trash collector will arrange for pick-up if they are unable to take it with the regular collection. If the furniture is in decent condition, various charities such as Quigley House (904) 284-0340 and Goodwill (904) 278-7487 will arrange to pick these items up at your home and you can receive a tax deduction. In the event of an impending storm, please do not put out items that will absorb water or that could become a hazard in high winds.

# CCSO CRIME WATCH

Clay County Sheriff's Office (CCSO)

## Clay County Sheriff's Office (CCSO)

It's July already and the hot weather and bicycles are out and about in force so it may be a good time to take a look at the laws and rules governing bicycle operation in Florida.

### Florida Safe Passing Laws: Fla. Stat. §316.083

Florida requires the driver of a vehicle overtaking a bicycle or other non-motorized vehicle must pass the bicycle or other non-motorized vehicle at a safe distance of not less than 3 feet between the vehicle and the bicycle or other non-motorized vehicle.

### Florida Helmet Law: Fla. Stat. §316.2065

Florida requires that any person under the age of 16 riding a bicycle, as an operator or passenger, must wear a protective bicycle helmet.

The failure of a person to wear a bicycle helmet or the failure of a parent or guardian to prevent a child from riding a bicycle without a bicycle helmet may not be considered evidence of negligence or contributory negligence.

### Where to Ride: Fla. Stat. §316.2065(5)

Florida requires that a bicyclist, traveling at a speed less than the speed of traffic, must ride as close as practicable to the right-hand edge of the roadway except under any of the following circumstances:

- When overtaking and passing another bicycle or vehicle proceeding in the same direction;
- When preparing for a left turn at an intersection or into a private road or driveway;
- When reasonably necessary to avoid any unsafe condition or potential conflict, including one caused by a lane that is too narrow for a bicycle and another vehicle to travel safely side by side within the lane; or
- When a bicycle lane is available.

### Sidewalk Riding: Fla. Stat. §§316.2065(9)-(10)

Florida allows bicycles to operate on sidewalks subject to the following rules:

- A person propelling a vehicle by human power upon and along a sidewalk, or across a roadway upon and along a crosswalk, has all the rights and duties applicable to a pedestrian under the same circumstances; and
- A person propelling a bicycle upon and along a sidewalk, or across a roadway upon and along a crosswalk, shall yield the right-of-way to any pedestrian and shall give an audible signal before overtaking and passing such pedestrian.

### Mandatory Use of Separated Facilities:

Fla. Stat. §316.2065(5)

Florida requires that any person operating a bicycle upon a roadway at less than the normal speed of traffic at the time and place and under the conditions then existing shall ride in the lane marked for bicycle use if a lane is marked for bicycle use.

### Bicycling Under the Influence:

Fla. Stat. §§316.193; 316.003

In Florida, bicycles are defined as vehicles. Florida's law prohibiting driving while under the influence of alcohol or other controlled substances is written so that it applies to all vehicles and therefore applies to bicyclists. Bicycles should not be operated while intoxicated and operating a bicycle while under the influence of alcohol or other controlled substances may result in severe punishments.

### Requirement to Stop:

Florida does not provide any modifications to the requirement to come to a

complete stop when directed to stop by traffic control devices and does not authorize bicyclists to disobey traffic lights that fail to detect bicyclists.

### Dooring law: Fla. Stat. §316.2005

Florida requires that no person open any door on a motor vehicle unless and until it is reasonably safe to do so and can be done without interfering with the movement of other traffic. In addition, no person shall leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers.

### Treatment as a Vehicle: Fla. Stat. §§316.003(75); 316.2065

In Florida bicycles are vehicles according to the statute that defines vehicles and a person riding a bicycle has all of the rights and duties of the driver of a vehicle as provided in Chapter 316 of the Florida Statutes, except as to those provisions which by their nature can have no application.

### Eagle Harbor VIPS-Patrol Summary

VIPS volunteers attempt to fill the gaps and have telephone access to the Clay County Sheriff's Office Dispatcher while on patrol if a Deputy's response is required. The VIPS patrols throughout the Eagle Harbor Neighborhoods provide additional CCSO visibility and additional sets of eyes to notice strange or suspicious activity, hopefully aiding in crime deterrent. We are representatives of the Clay County Sheriff's Office and the only reports we provide are these monthly articles and the notices we leave are courtesy reminders about securing your property and are not citations that are recorded.

During the April daily patrols through the Eagle Harbor neighborhoods, (Neighborhoods North of CR 220 and West of US 17) we noticed a total of 99 Garage doors open and unattended. Every garage door open is an invitation to theft, fortunately there were no thefts from garages reported by Eagle Harbor residents to the Sheriff's Office. If you see suspicious activities do not hesitate to report it to the sheriff's office at (904)264-6512. We will continue to leave notices in the newsletter/advertisement boxes of the homes where we see unattended open Garage Doors to remind those residents to close the garage door. We would ask that if you see your neighbor's garage door open, call or ring their bell to remind them to close it. Better to be safe than sorry. Let's work together this to keep our neighborhoods safe and secure.

Summer is here and many of you have planned your vacation. Include a phone call to the Sheriff's office in your plans. CCSO has a Vacation Watch Program that will have a deputy sheriff stop by frequently and check on your residence during your absence to make sure everything is secure and safe. To enroll in the **Vacation Watch Program** call the **Sheriff's Dispatch Office at (904) 264-6512**. Remember to stop your newspaper subscription and put your mail delivery on hold. Newspapers accumulating in the drive way and a mailbox that is crammed with mail are signals to a burglar that you're away. If you see newspapers stacking up in the neighbor's driveway please pick them up and store them out of sight. This is a simple way to prevent crime.

*We are always looking for volunteers to help and if you'd like more information contact the Eagle Harbor VIPS coordinator Walt Joba at: [waltjoba@comcast.net](mailto:waltjoba@comcast.net) Volunteer opportunities are not limited to patrolling the neighborhood, but include varied duties such as marine patrol, Crime newsletter, filing reports at the jail, and working in the various units that comprise the sheriff's office. Also, we want to thank the CDD Board and the Eagle Harbor Golf Club for allowing us to use the "Cart Barn" to store our carts. Without their support we wouldn't be able to provide the patrol services that we do.*

### Tennis Court Maintenance And Hours

**12-3PM Daily!!** The courts will be closed during the middle of the day for maintenance on a daily basis. During these hours, courts may not be reserved or guaranteed. Walk-on players should see a Member of staff to determine if there are any courts that may be available. We appreciate your understanding that the courts must close on a daily basis in order to protect the value of CDD assets and keep the courts in the condition tennis players expect. With the amount of play our courts receive it is a tremendous challenge and effort to keep the courts in good condition. The courts will close nightly at 9:45 p.m. Evening maintenance staff has a limited amount of time to perform maintenance and thus all courts must be vacated by 9:45 p.m. Thank you for your understanding and cooperation.

### New Clinics

#### Adult Beginner's Clinic Wednesdays 6:30pm-7:30pm \$15

This is a co-ed adult tennis clinic for anyone that is looking to learn how to play or knock the rust off from when they were younger. Afterwards there will be courts reserved for you to practice your new skills.

### New to Tennis?

### Eagle Harbor Tennis IDress Code

Proper tennis attire and shoes are required at the tennis courts.

## GOLF

### Senior Men's Interclub

Monthly at 9 a.m. on Mondays

**\$65 for golf, cart, range balls, lunch and prizes**

Any man 55 years of age or older who is a Patron or a GHIN Member of the Eagle Harbor Golf Club is invited to join us.

Each month we field an eight-man team to compete against select clubs in the Jacksonville area over an eleven-month season.

The venues sequence through fifteen or more courses, including neutral (non-league) clubs, such as Deerwood, Palencia, and Ponte Vedra Inn for the season-ending championship.

For further details, please check the league website at [jaxsi.org/index.html](http://jaxsi.org/index.html).

Briefly put, your first three matches are played off your USGA Handicap Index. Thereafter, like everyone else, you play against a league index based on the best three of your most recent six league scores, adjusted for equitable stroke control. The format is net Stableford, as specified in USGA Rule 32-1b, whereby points are awarded for net scores of bogey, par, birdie, eagle and double eagle: 1, 2, 3, 4 and 5 points, respectively.

Each team member plays in a four-man group with fellow competitors from three different clubs. The pairings are randomly assigned. So, you are as likely to play with a 2 handicapper as with a 30 handicapper. No matter, since everyone is playing against his own handicap, which guarantees a level playing field.

A monthly signup sheet is posted on the bulletin board in the golf shop. A random drawing determines the roster when more than eight players sign up. For more information, call 269-9300!
