

# PAVING NOTICE

Pulte will be paving in the Las Calinas Estates community the week of September 30<sup>th</sup> through October 4<sup>th</sup>, weather permitting. This will include sections of Los Alamos St.(Phase 5&6)and sections of Los Caminos St.(Phase 3B)

## Leaving Home

- Crews will be onsite by 7am, but no traffic should be disrupted before 8am
- Pulte will NOT fully block both sides of the road at the same time
- The paving equipment moves slowly and can potentially block your driveway for a period of 30 minutes or more. It is recommended that you park outside the paving area the night before if you are required to leaving home after 8am at a scheduled time.
- Do NOT park on the street anywhere within or near the section to be paved that same day
- You may immediately drive on fresh asphalt, but should be careful NOT to turn your wheels if the car is NOT in motion. This will damage the asphalt.

## Returning Home

- Paving Operations are typically completed for the day by 5:30pm.
- Pulte does NOT block thru traffic from returning home or service companies from making pickup/deliveries
- You may drive on the new asphalt the same day to access your home
- DO NOT DRIVE OVER THE TAR COAT ON THE ROAD
- DO NOT DRIVE OVER THE TAR COAT ON THE ROAD
- DO NOT DRIVE OVER THE TAR COAT ON THE ROAD
- Pulte will NOT be responsible for tire tracks on your driveway from the TAR COAT.

## Other items

- Prior to the Paving date, some curbing with structural damage will be replaced. A separate notice will be given if access to your driveway is affected. NOT ALL cracked curbs are replaced.
- Following the Paving date, re-stripping of the parking areas and crosswalks will be completed. This will be scheduled a later date and any parking areas will be inaccessible for a two day period.

\*\*\* This schedule represents time frames based upon past experience and is subject to change based on external factors beyond control.

This schedule is being provided to help you be able to make alternate arrangements should you need access to/from your home during this project. We apologize for any inconvenience created by this paving.
