# Senior Men's Interclub

**Monthly at 9 a.m. on Mondays**

**\$65 for golf, cart, range balls, lunch and prizes**

Any man 55 years of age or older who is a Patron or a GHIN Member of the Eagle Harbor Golf Club is invited to join us.

Each month we field an eight-man team to compete against select clubs in the Jacksonville area over an eleven-month season.

The venues sequence through fifteen or more courses, including neutral (non-league) clubs, such as Deerwood, Palencia, and Ponte Vedra Inn for the season-ending championship.

For further details, please check the league website at [jaxsi.org/index.html](http://jaxsi.org/index.html).

Briefly put, your first three matches are played off your USGA Handicap Index. Thereafter, like everyone else, you play against a league index based on the best three of your most recent six league scores, adjusted for equitable stroke control. The format is net Stableford, as specified in USGA Rule 32-1b, whereby points are awarded for net scores of bogey, par, birdie, eagle and double eagle:

1, 2, 3, 4 and 5 points, respectively.

Each team member plays in a four-man group with fellow competitors from three different clubs. The pairings are randomly assigned. So, you are as likely to play with a 2 handicapper as with a 30 handicapper. No matter, since everyone is playing against his own handicap, which guarantees a level playing field.

A monthly signup sheet is posted on the bulletin board in the golf shop. A random drawing determines the roster when more than eight players sign up. For more information, call 269-9300!

# Crime Watch

## Clay County Sheriff's Office (CCSO)

Just a reminder that both the Florida State Troopers and the Clay County Sheriff's Deputies are aggressively patrolling the Fleming Island area for speeders. The area is seeing a significant increase in housing density and with that increase a higher volume of traffic on US 17 and CR 220. Speeding coupled with the increased congestion is a recipe for accidents. Do your part; obey the posted speed limits and be aware where the posted limits drop below 50 or 55 mph.

Watch your speed on the neighborhood streets within Eagle Harbor especially in the school zones. Speed limits are: Lakeshore Drive East and Eagle Harbor Parkway from US 17 to Lakeshore Drive East (30 mph); Eagle Harbor Parkway from Lake shore Drive East to Lakeshore Drive North, Harbor Lake Drive and Forest Park Drive (25 mph); the remainder of neighborhood streets have a speed limit of 15 mph. Remember that there are three school crossing zones as well in Eagle Harbor: intersection of Lakeshore Drive East and Eagle Harbor Parkway, the entrance to Timber wood and the entrance to Woodlake and the speed limit during posted hours is 20 mph.

It's March and with the warmer weather more bicycles are out in force so it may be a good time to look at the laws and rules governing bicycle operation in Florida.

## Florida Safe Passing Laws:

Florida requires the driver of a vehicle overtaking a bicycle or other non-motorized vehicle must pass the bicycle or other non-motorized vehicle at a safe distance of not less than 3 feet between the vehicle and the bicycle or other non-motorized vehicle. Source: Fla. Stat. §316.083

## Florida Helmet Law:

Florida requires that any person under the age of 16 riding a bicycle, as an operator or passenger, must wear a protective bicycle helmet. The failure of a person to wear a bicycle helmet or the failure of a parent or guardian to prevent a child from riding a bicycle without a bicycle helmet may not be considered evidence of negligence or contributory negligence.
